homes were destroyed.

James Anderson, 14, a boy scout on duty at the tent, suffered a compound fracture of the skull, and may die.

A short period of nearly total dark-ness preceded the blow, which came with such suddenness as to prevent es-cape from the canvas auditorium. Winers have been expressing impa-

### TWENT LIVES LOST the last two weeks. The operators rejoin that the miners, as plaintiffs, would be expected to state their case in full before they themselves returned for

List of Deaths in

Vicinity.

CHICAGO, July 27.—Automobile accidents took a toll of more than twenty lives throughout the country Sunday, while several persons were drowned or met death in other mishaps.

Four Chicagoans were killed near Kankakee, Illinois, when an automobile hurtled off an embankment; four deaths occurredd at Seymour, Ind., when a machine collided with an interurban car, and two accidents accounted for four deaths in Chicago.

Other automobile fatalities reported included: Tiffin, Ohio, 2; St. Louis, 2; Bloomington, Ills., St. Cloud, Minn. and Valdosta, Ga. one each.

Their reluctance to say what they had to say, while the largest single district in the hard coal fields was having its biennial assembly was view-ed; today as a hint of probably how emphatic the operators to go slow.

Their reluctance to say what they had to say, while the largest single district in the hard coal fields was having its biennial assembly was view-ed; today as a hint of probably how emphatic the operators.

The miners have in large measure submitted their case. The conclusion of the Wilkesbarre meeting removes any gag on the mine owners.

John L. Lewis, miners' international president, is expected to return hourly.

So serious is the situation growing out of the refusal of the miners to accept the new working agreement suggested by the owners, calling for a twenty per cent. reduction in wages, and longer working hours, that the Premier, Stanley Baldwin, did not have his usual week-end holiday at the Premier's marked Cheguers Court but

of Councillor Ronald McInnis, Maple avenue, with all its contents, was completely destroyed at 2 o'clock Sunday thorning, and at 2.80 o'clock this morning firemen discovered fires burning in several places in a vacant store at Strling, owned by Hyman Gittleson, now residing in the United States. The latter fire was put out in quick time by the local firemen. A third fire occurred Saturday afternoon, when the furniture store of Louis Burnstein, Commercial street, was gutted by a blaze which broke out in the office from some unknown cause.

The CONFERENCE TODAY.

CONFERENCE TODAY.

CONFERENCE TODAY.

The conference today between Premier Baldwin and a committee of the trade union congress, which for the coal crisis, cannot be said to be meeting under hopeful circumstances.

The same lack of hope is held out for the conference and mine owners called for Wednesday, when an attempt will be made to get the two sides to the dispute together for the drawing up of a new working agreement and thus prevent the strike which has been called for July 31, the day on which the old agreement expires.
