FROM THE FIRST DOSE

Hood's Sarsaparilla Begins Its Recon-structive Work.

First, it creates an appetite. Second, it aids digestion. Third, it carries 10 per cent of the nourishment in the food you eat into the blood and the body, thereby enriching and vitalizing your blood, which in time renews your strength and builds up again your reserve strength and vitality.

This makes Hood's Sarsaparilla one of the great remedies of the world. From the first dose you are on a definite road to improvement. It is of incalculable value just now to restore the health and nerve force so greatly exhausted by war excitement, the grip and influenza epidemic and the changing season. It is the right medicine for you this spring. Get a bottle today.

And if you need a mild, effective cathartic, get Hood's Pills.

EIGHTY THREE ST. JOHN TEMPERATURE

Today was the warmest registered so far this season, the thermometer showing eighty-three degrees in the shade. The warm wave struck here early this morning and at noon the heat was intense. As there was only a slight breeze blowing the sudden rise of the temperature made it very sultry.

The warmest day was July 28 when eighty-two and a half degrees were recorded. In 1917 the mercury reached eighty-six degrees.

Headaches From Eye Strain

Few people realize how large is the proportion of headache directly due to strained eyes. When you have a headache don't drug yourself to deaden the pain but have the cause of the headache removed.

You can't remedy eye strain by going into a store and buying a pair of glasses as you would a pair of shoes.

It is first necessary to have a thorough examination to determine the nature of your eye trouble. Come in and we will prescribe the correct lenses.

"I JUST DIDN'T SAVE"

That is why I am here. That is why the others are here. In my younger days I made plenty of money. But it was a case of 'easy come, easy go'. If I had only formed the habit of putting something away out of my earnings I would be comfortable and independent today."

A pathetic story this, told in bitterness by an inmate of a home for dependent poor—a man, old and penniless because of a bad beginning in life.

It is a story of wilful neglect and disregard for the future. In its main essentials it is the story of a vast number of men—men thoughtless and short-sighted—men who blindly refuse to consider to-morrow seriously.

All about us we see these men. The evening of their lives is a time of drudgery, if not of humiliation. They pay a heavy price for the folly of a wasted youth.

A few dollars a year saved now—when you can spare the money—and invested in an Imperial Endowment policy will secure a guaranteed monthly pension to support you when you are old. Or, it will provide for your family should death call you early.

Just write your name and address on the coupon below and mail it to us. Then we will send you our booklet entitled "Painless Old Man". It tells all about Imperial Endowment policies.
