Office of the
High Commissioner for Canada,
Canada House,
London, S.W.1.

File No. 27:5

7 Dec 44.

Chief of Staff,
Canadian Military Headquarters
2 Cockspur Street, S.W.1.

For attention of Colonel F F Fulton, SD(W).

Dear Fulton,

I am sending you herewith a further communication from Professor Curtis on the subject of pumps for Dithekite. This seems to indicate that the work will proceed.

Yours sincerely,

(sgd) A.G. Shenstone

Chief Scientific Liaison Officer,
National Research Council.
