A WOMAN FAINTED yesterday in St. Philip's church during the evening service.

THE CANADIAN PACIFIC pay car went up the northern division of the road on Saturday.

LOOSENES.—The Centenary Sunday school had several tables torn from the hall by lightning last week.

ALL AROUND the shores the catch of fish of all kinds is light but each day this season is quite up to the average.

THE NOVA SCOTIA plum crop is said to be much short, both in quality and quantity, of that of the past two or three seasons.

NO MACKEREL worthy of mention have been captured in the harbor for several days, and there seems to be no prospect of any further catches this season.

THE COMMON COUNCIL will meet on Thursday, at 3 p. m. A resolution will probably be introduced looking to the removal of the inhabitants of the city.

MR. G. ROBERTSON, the able and energetic president of the Board of Trade, will have something to say in regard to the census at the meeting of that body tomorrow.

MR. BARNES of Westport is to be married to Miss M. J. H. of the same place at the evening service at the Baptist church at Westport.

A LARGE NUMBER of men are engaged ballasting and otherwise improving the section of the Canadian Pacific railway between Westport and St. John. This section is now in better condition than for years.

THE CATCH of shad this season has been quite as good as has been known for many years. Spring shad sell for \$4.75, fat at \$6.00. No Economy men should have yet received in this market.

A BOAT belonging to John Weatherhead recently visited while being hauled yesterday morning and threw its self back on the carriage to which it was attached. The horse received some cuts but the carriage was unharmed.

JOHN HATHAWAY living on the Managawich road was severely kicked by a horse in his pasture Saturday afternoon. He was attended by Dr. Gray. His injuries are so severe that he will be confined to his home for several days.

ON MONDAY Mrs. Dr. Street of Lockport gave an aquatic display of how to swim at the head of the steamboat wharf. A large number availed themselves of the opportunity of witnessing the performance.—Lunenburg Argus.

ONLY A FEW Nova Scotia apples have arrived here this season; they will be in season in freely in a week or ten days. It is told that the crop is likely to be a short one, but that has been told several seasons since apples began growing in the land of Evangeline.

THE PICES of smoked fish have receded somewhat during the past few days. This is probably due to a similar recession in the west, and very liberal arrivals, the current being anxious to dispose of their old stock before the arrival of the fall catch.

ALEX. HENRY of Fredericton, was drowned yesterday by the upsetting of a birch bark canoe on the Miramichi. His body was recovered a hour afterwards. He was seen on an agent at Maryville on the Canada Eastern, and highly esteemed.

AN INTERESTING PUBLIC MEETING under the auspices of the Y. M. C. A., was held in Queen square Methodist church yesterday afternoon. The chair was occupied by W. S. Fisher and address was given by Rev. Messrs. Sherman and G. H. C. Thiley, J. K. Quinn and others.

THE DEERS.—Great complaints are being made of the small amount of deer on the streets facing Courtney Bay. A great deal of stur in the shape of decayed animal and vegetable matter is placed on them which has an injurious influence on the health of those who reside near the dump.

SHOULD we stress—Complaint is made that a number of women of questionable repute engage in disgraceful acts at the east end of Duke street nearly every evening. As there are respectable people who reside in this neighborhood the police should stop this kind of business.

THE YOUNG MONUMENT.—Good progress is being made with the foundation of the Young monument, which is now almost up to the level of the surface of the square. Great interest is being taken in the work by the public and there are generally a dozen or more spectators watching its progress.

THE MARKET ship was filled today with schooners, woodchests and some with cargoes of fish, wood and lime. One large cargo of St. Lawrence herring is being discharged at North Wharf. In a few days, when apples, potatoes and other roots begin to arrive, business will be lively in that part of the city.

LOUIS GREEN, has recently made one of the largest importations of Havana cigars ever made in St. John. His stock is therefore complete in all the finest brands and makes. To the regular smoker this will be good news, for nothing is so acceptable as a finely flavored Havana.

EXAGGERATED stories were told this morning of an alleged encounter between the boys and the girls of the school at the railway station about nine o'clock last evening.
