Going Up Stairs.

If you are suffering from anæmia (poverty of the blood) or from a weak heart the fact will be made painfully apparent every time you have occasion to walk up stairs.

On such occasions does your heart beat violently? Do you feel out of breath? Do your limbs ache, and are you easily exhausted?

These are signs of anæmia and heart weak. ness. Palor, sunken eyes, thin cheeks, loss of appetite, and general languor are other signs. Organic disease of the Heart or Consumption may easily follow if your condition is neglected.

Dr. Williams' Pink Pills FOR PALE PEOPLE,

cure anæmia and heart weakness, and banish all these symptoms. They make men and women strong and energetic, and are equally valuable for young and old. These pills make new, rich blood with every dose, and strengthen weak or exhausted nerves.

HEALTH BROKEN DOWN.

Mr. John Barley, Lachute Mills, says:—"Up to about seven years ago I had always been a healthy man. At that time my health began to give way, and at last I was left always a whysical work the least almost a physical wreck, the least exertion would leave me breathless rears have not been able to do steady work for the best part of the time, and as the many medicines I tried failed to help me, I had begun tried failed to help me, I had begun my case as almost cried failed to help me, I had begun to look upon my case as almost appeless. Finally a friend urged me to try Dr. Williams' Pink Pills, and now after the use of only five boxes am feeling well and strong. It is simply marvellous what they have done for me, and I shall always recommend them to my friends."

HAD NOT STRENGTH TO WALK.

Miss Leba C. Schilling, Peninsula-Gaspe, Que., writes:—'I had suffered for some time with a weary feeling. I had not strength to walk about. I could not walk even a short distance-without being out of breath. I took no interest in anything, as I thought nothing could do me any good. On the recommendation of a friend I decided to try Dr. Williams' Pink Pills. I had only taken them for a short time when I noticed a great improvement.
