VISITED GERMAN EMPEROR ON WAY TO RUSSIA

Meeting Said to Have Been Arranged For Purpose of Di cussing the "Yellow Peril."

New York, Sept. 27 .- While the visit of M. Witte to the German Emperor is stated to be in connection with the coming peace conference at The Hague, the Company to open a river intake pipe real object of the Russian statesman's during a test of the plant yesterday preinterview with Prince Von Buelow, cipitated a riot in which citizens offered Baron Richthofen and Emperor William, is to arrange, declares a Herald dispatch from Berlin, somthing to stem the danger of the "yellow peril" in the Far East. it would be necessary to open the river According to a Times dispatch from pipe, was assaulted by bystanders. Berlin, the Tageblatt to-day asserts that Health Officer Staehle was injured by the purpose of the recent visit of the Japanese minister to Chancellor Von Buelow was to request an explanation of Alderman Lorengan was also beaten. garding the "yellow peril" to the visiting that started with the selection of Stolze American congressmen. It is started that as mayor on a platform of city ownerthe Japanese minister went away satis-

Interviewed the Kaiser. Cross Rominten, Prussia, Sept. 27.-M. Witte, by invitation of Emperor William, spent the night at the Rominten hunting lodge. The Emperor and Prince Von Fulenburg brought the Russian statesman in an automobile to the rail-road this morning. The special train was not quite ready, and the Emperor and M. Witte talked for twenty-five minutes in the waiting room and then parted.

Moroccan Affairs. Berlin, Sept. 27.-The impression some of the Paris newspapers that M. Witte has endeavored to assist France in persuading Chancellor Von Buelow and Foreign Secretary Von Richthofen to accept Premier Rouvier's Moroccan programme appears most unlikely, al though inquiries made on the subject have not resulted in obtaining definite official information as to what took place at M. Witte's interviews with the chancellor and foreign secretary. It learned, however, that Russia's policy at present tends to entire non-interference in French-German relations. France would naturally desire Russia's support against German diplomacy, but Russia's view is that France and Germany must settle their differences them-
