The above list represents thirteen hundred souls, including children. Besides these we have a floating congregation of five or six hundred. Doubtless the names of many who worship with us are omitted. If such persons desire to have their names placed on the Pastor's Visitation List, they will oblige by putting them on a slip of paper and handing them to the Ushers in the church. When families move from one section of the city they will greatly oblige by giving the street and number on a card, to one of the Ushers.
