He says that if we would be certain of absolute freedom Torryburn Corner, we would be certain of absolute freedom from the possibility of an attack of con sumption, (phthisis) we should deliberate ready possess it, a chest girth at least equal to the medium in the following table. The extent of ehest movement endent Crocket estimates that 22,000 (expansion) should be four inches and up-

> CHEST MEASUREMENT. Medium inches 34.56 42.00 42.66 43.33 36.83 37.40 37.96 38.53 39,10 44.00 44.66 45.33 46.00 46.66 40.23 40.80 Many of us will be found upon examin

ation to fall much short of this. Yet we may all attain it, and in my next contribution to public health I will give a few simple directions which, if carried out, will secure it.

SYMPATHY WITH NEWFOUNDLAND. The Prince Edward Island legislature has unanimously adopted a resolution re citing the grievances of Newfoundland in regard to the French aggressions regard. ing its fisheries and resolving "that the action of the citizens of Newfoundland in protesting against any further con cessions of fishing rights to the citizens of France and that the contention of New-Castoria is recommended by physici ans France and that the contention of Newconsent of the Newfoundland legislature meets with the approval of this house."

GRAND OLD MEN. Gladstone and Tennyson were both Cardinal Newman in 1801. John Ruskin

is in his seventy first year. J mes Rus sell Lowell is almost precisely the same pended on accomplishing a certain field of activity, been so busy and so fruitful, should have lived so long.

The delay in adjourning Parliament is alleged to be due to the fact that the Minup into Broadway. Hours of labor case of matters of dispute between Canada were from 8.30 to 5 p. m., with half an and the united States, has intimated to nour at noon for lunch. The average the government at Ottawa that there is pay was from \$3 to \$5 per week, hard- every possibility of matters of contention ly ever above the latter figure. That is between the two countries being satisfacthe sort of life most working girls who torily settled within the next week, which go to the United States have to encoun- fact the government hopes to amounce
