DICK SWIFT, THE O It is an old saying that borne to be lucky, while the reverse. It often or will use the utmost indust

ance to gain an especial p their attempt; while of little or no pains, mee Thus it is with journeys hages at sea. I wo vessels same port for a distant cuthough one may sail many the other, yet it often occusel which sailed last reached.

the other, yet it often occursed which sailed last reache flist. So may it be said of the master of a trader I and Hamburgh; who was for making quick passages ed the cognomen of "Docum racer."

He was allowed to be and when he had become vessel, he never liked to for he would find out her of canvass, and he was not a sail or ship either: let how it would, he despise reef. If such advice was him, his reply invariably too much time,"—or, "Whaving canvass on board in t?" He never could be of reefing, and if it was a the wind did not serve, he "then it must blow us b all. If I promise to sail at

"then it must blow us b all. If I promise to sail at I must go."

During the short cessati between France and En-several vessels were frei burgh, Amsterdam, and ports. One morning as it and rendered objects vis distance, the "Good line Was going a good six base distance, the "Good Interest of the control of the

vessel which had at first mere speek on the ocean larged until it was close a: "How are you. Dixo you?" said Dick Swift. this, ch?"
