MOST GRACEFUL PAVLOWA ON HOW TO BE GRACEFUL

PAVLOWA IN A RUSSIAN DANCE.

ALWAYS
Rest the entire weight on one foot,
to avoid a military pose.
Turn the head slightly to arch the
throat.

Turn the body away a little from the
person to whom you are talking.
Curve the arm slightly and let the
wrist continue the general curving
line of the arm.

NEVER
Draw the chin in, but thrust it for-
ward and slightly upward.
Make the arm straight. Such a line
is positively ugly.
Make a gesture higher than the
shoulder unless pointing directly
upward.
Cramp the foot in a tight shoe or use
the heel except as a sort of balance.

"All women are graceful—if they
will permit themselves to be nat-
ural. Woman's disposition to ape the
ways of man destroys her natural
grace, that's all."
This is Miss Pavlova's preface to
a little talk on beauty of carriage and
manner, secured especially for the
reader of this newspaper, from one
who has been called "the world's
most graceful woman."
"Be natural," she says. "You never
see children in ungraceful attitudes
—because they are too young to be
conscious of their bodies, to be self-
conscious or unnatural."
"When standing still, you should
remember to rest all the weight of
the body on one foot, relaxing the
other side of the body so that it falls
into a series of flowing curves from
head to foot."

Two and a Half Hours ON OPERATING TABLE

Specialist Could Not Remove Stone
In The Bladder.

GIN PILLS PASSED IT.

Joliette, P. Q.

"During August last, I went to Mon-
treal to consult a specialist, as I had
been suffering terribly with Stone in
the Bladder.

He decided to operate but said the
stone was too large to remove and
too hard to crush. I returned home
and was recommended by a friend to
try GIN PILLS.

They relieved the pain. I took two
boxes and went back to the specialist.
He said the stone was smaller but he
could not remove it although he
tried for two hours and a half. I re-
turned home and continued to take
GIN PILLS, and to my great surprise
and joy, I passed the stone.

GIN PILLS are the best medicine
in the world and because they dis-
solve me so much good, I will recom-
mend them all the rest of my life."

GRIST MILL BURNED AT THE RANGE, Q. C.

ance—Third Fire in this
Firm's Property.

Waterborough, May 15.—A grist mill
owned by McVicar Bros., situated at
the Range, Quebec county, was total-
ly destroyed by fire last Thursday
afternoon, the 11th inst.

The loss which is about \$5,000 with
no insurance, will be greatly felt by
the McVicar Bros., and the public at
large. This is the third time they
have lost the mill by fire.

FARMER'S WIFE TELLS HER STORY

Found a cure for all her ills
in Dodd's Kidney Pills.

She was tired, worn-out and nervous,
and suffered from Rheumatism, but
two boxes of Dodd's Kidney Pills
cured her.

Hawthorne, Ont., May 15.—(Special)
—Mrs. T. G. Alexander, wife of a well-
known farmer living near here adds
her testimony to that of the thousands
who have learned from their own ex-
perience that Dodd's Kidney Pills cure
Kidney Disease.

"I suffered for twelve years," Mrs.
Alexander says, "My back ached, my
sleep was broken and unrefreshing, I
was nervous and tired and I was trou-
bled with heart fluttering. Rheumat-
ism developed and added to my suf-
fering."

"I was in a very run-down, worn-
out condition when I started to use
Dodd's Kidney Pills, but I am thank-
ful to say they gave me relief almost
from the first. Two boxes cured me
completely."

"Dodd's Kidney Pills cure the Kid-
neys. Cured Kidneys mean that all
impurities are strained out of the
blood. That means pure blood all over
the body and the banishment of that
tired, heavy feeling and those
pains and aches that impure blood
brings."

CHATHAM NEWS

Chatham, May 15.—The work of
removing Miller's foundry to make
room for the new railroad is now
proceeding and the office has already
been moved to the street line and next
Mr. Miller's residence.

The machine shop will be moved a
distance of about 80 feet and will be
swung sideway to the street, making
room for the moulding shop and the
spot where it formerly stood.

The moulding or foundry proper will thus
have to be moved about 150 feet
length. This will put all the buildings
on the shoreward side of the railway
line.

Mr. Desmond and a crew of men
are now at work, but the big end of
the job is just commencing.

J. E. Martin left Saturday on a
three weeks' trip through the west.

Mrs. H. B. McDonald has purchased
a fore door Brockville touring car
and is one of the few ladies in the
province who can drive her own car.

Trips to Logville or to Newcas-
tle are an ordinary occurrence. The
Brockville is the first seen here this
year of this type and is a very hand-
some car, strongly built and on grace-
ful lines.

Mrs. William Anderson and daughter,
Miss Katie Anderson, have gone
to Campbellton where they will visit
relatives. They have given up their
house in King street for the summer
months. This is now occupied by Mr.
Bidlake.

FARMERS WOULD WELCOME RAIN

Outlook for Crops is Good
but two to three days Heavy
Rain would Vastly Improve
it.

Moncton, May 15.—Though a warm
rain is badly needed, the outlook for
farmers has seldom been better in
this section of the province. There
has been little vegetation as yet, but
the dry weather has given every op-
portunity for ploughing and harrow-
ing and considerable seeding and
planting has already been done.
Where seed is in the ground a warm
rain would make very rapid growth,
and rain is also needed to give the
grass a start.

The drivers in Kent and Westmor-
land are in a bad way and scarcely
any logs have yet come down. There
was little snow last winter and what
there was went off so early that the
usual freshet did not materialize.
C. E. Lockhart of Notre Dame has
his centre cut of two and a half mil-
lions still five miles from the pond
and most of the other operators are
in the same fix. As a consequence
few of the mills have driven and
those that are saving old logs must
soon close unless the drives come
down.

The ground is so warm and dry
that it will require two or three days
of rain to make much of a freshet in
the streams.

Strong, Well-Formed Healthy Children

By far the larger percentage of pul-
monary ailments arise from a habit of
stopping, contracted in childhood, which
prevents proper breathing.

If you have a child who shows a ten-
dency toward "round" or stooping shoulders
it is your duty to take every means
possible to correct this fault.

REXALL SHOULDER BRACES

will prove of invaluable assistance to
you as they compel a natural erect car-
riage, which means proper breathing,
and if done in time will incline your
children to become perfectly formed,
healthy men and women.

We have this brace in sizes suitable
for the child of four years or the adult
weighing 300 pounds. Being made en-
tirely of cloth it is easily washable and
may be worn without discomfort.
