## AMERICAN WHO FIGHTS FRENCH CHAMPION

GUNDRAY SMITH

"Gunboat" Smith, American heavyweight, is to fight Georges Carpentier, the French champion, in London on July 16. In view of the fact that he has defeated both Moran and Willard on points in California, he surely will demand a fight with Johnson at an early date. If Smith whips the Frenchman in his London battle he will be in line for the negro, who announced that he will accept a challenge from any white man for a contest to be decided within the next two months.

**AL DEVER SOME SPRINTER.**  
Saturday afternoon there was a short yet interesting programme of sports at Seaside Park. One event which caused much excitement and which brought out some new sprinters was the fat man's race. There were three starters, James Connolly, John Warwick and Al Dever, the latter was a dark horse and was never once before the contest looked upon as a whirlwind. At the crack of the gun Dever hardly touched the turf, and with mighty strides and a beautiful form broke the tape a winner amid deafening applause. The prize was a box of cigars. Dever said after the race that he had been out of training for some time, and if he had been in condition he would have beaten his opponents much farther. There was no time given out as the timers forgot to look at their watches, their eyes being glued on the gracefulness of the winning runner.

## IOWA PAROLE AND M'CALLUM WERE WINNERS AT MOOSEPATH

Fast time made at Moosepath Saturday afternoon. Some surprises for the fans. The third programme of the Park Matinee Driving Club was held Saturday afternoon on the Moosepath course and was very successful from the horse racing point of view, the fastest time of the season being hung out in the first heat of the trotting class. The attendance was not up to the average, but those who remained away were the losers of the best afternoon's horse racing yet put up by the club.

Two classes were on the card, a trotting class, and a green class. Both these were won in straight heats. The track was in excellent condition for racing, and no doubt the fast time hung out was made possible by its excellent condition upon which the management is to be congratulated.

The trotting class had five starters, the big trotter, Happy Lad, from the South End, owned by Geo. Lawson; Nan Patterson, the Crawford entry; the bay stallion, Ed C, from the West Side; Burpee Brown's Patsy B, while a new green one, Iowa Parole, owned by Thos. Hayes, made his initial bow and gathered many admirers, also making the fastest time of the season in the first heat of his first start.

In this class, Happy Lad was the favorite, he having a large following from all parts of the city, and being a winner in each of his former starts. The first heat was rather somewhat of a surprise to the fans to see the Hayes entry go through the bunch and win the heat in 1:19.4 with Happy Lad second; Ed C made a hard struggle, landing third. Nan Patterson fourth and Patsy B fifth.

The second heat was about the same one to them seemed to get to Iowa Parole and he won the second heat in a matter of fact way in 1:11.2, the other horses finishing the same as in the first heat.

The third and last heat proved somewhat easier for Iowa Parole, he only having to step the roots in 1:12.14 to be the winner, while Ed C gave Happy Lad a horse race all through the back stretch, going to a losing break at the turn which gave Happy Lad second, Ed C third, Nan Patterson fourth, and Patsy B fifth.

The Green Class  
With the track in Saturday's condition for future meets don't be surprised at anything.

ing his first appearance this season; the Coldbrook pacer, Lou Rexall, owned by St. C. McKell and driven by W. A. Reid, the black pacer, Shamrock, and May Gardo, owned by Geo. Chamberlain.

This class also went in straight heats, McCallum having things comparatively easy all the way, winning the first heat in 1:19 with Lou Rexall second, May Gardo third and Shamrock fourth.

The order of the horses were somewhat changed the second heat and some good horse racing was made all the way for second and third positions, McCallum winning the heat in 1:15, with Shamrock second, Lou Rexall third, and May Gardo fourth.

The third and last heat was a repetition of the second, the order of the horses being the same, McCallum winning the heat in 1:17.2.
