READ THE ADS OF YOUR NEWSPAPER FOR BEST VALUES ON HOME PRODUCTS.

"THIS PAPER A HOME PRODUCT."

"Newspapers so intimately affect their communities and the communities so react upon their newspapers that it is usually possible to gauge the quality and spirit of a community by the newspapers which represent it. As a rule the city which is enterprising and awake, resourceful, and progressive has one or more newspapers which reflect these qualities in a superlative degree as a part of its equipment; and similarly the city which is slothful, corrupt and reactionary will be found to number among its possessions a venal and corrupt newspaper, blind to good movements and cynical of every effort to better things."

"This newspaper is distinctly a home product and a producer of home prosperity. Every advertisement placed in this paper and every subscription is a direct and effectual boost for this city, just as it is when you support any other home product. Having no entangling alliances it is free to support and does support this city to the full limit of its powers. What it gathers up through the channels of circulation and advertising it re-distributes in the community that gives it support, and that is to turn it supports in single-hearted loyalty and devotion. Read the advertisement in today's paper for the best values on home products."
