VISITORS FROM ENGLAND-Mr. Cottam, an extensive steel manufacturer of wick is partly to call on the senator. Mr. David and Mr. Coltam have gone to

JAPANESE CATARRH CURE home. While here Mr. Cottam visited various manufacturing establishments. In company with Mayor Sears—Fowler & Rankine's, Fleming's, the Maritime Nail Works, etc. As an extensive steel manufacturer, he expressed himself as anying that there were good possibilities for this industry in St. John. The steel plates he found at Fleming's foundry were the newest he had seen, he said, to the steel sheets which are a necessity in steel ship building. Both he and Mr. David formed excellent impressions of St. John in every way and are much pleased with this—their first visit to the country. They were entertained at the Union Club by Mayor Sears, and also by Mr. W. Malcolm McKay at his home. Tuesday the visitors were given a drive about the city by his worship the mayor.

To this Gen. Sheridan added: "Respectfully forwarded. I understand that Col. Alger is on some military duty at Washington, but it is evident that he has left his command without authority, and it appears that he has done so be fore. I have always considered Col. Alger a good officer, but I cannot excuse his conduct or withhold my approval to the recommendation of his immediate commander."

On the 6th of September Alger sent his resignation directly to the secretary of war, giving as his reason for throwing up his commissian the necessity for his resignation be accepted." No action having been taker, on the 16th of September Alger filed another resignation, very much in the

ALGER'S WAR RECORD. by Gen. Custer, Gen. Merritt, Gen. Torbert, and Gen. Sheridan.

Black &

His Removal in Disgrace Recommended

[From the Official Records.] Gen. Custer on the 16th of September 1864, sent this report to headquarters: "In compliance with the instruction of the General commanding the division I have the honor to submit the following 'report on the case of Col. R. A. Alger,

Fifth Michigan Cavalry, stacing the time
at which he left the command, for what
surpose, by what authority, and his
present whereabouts.' Col. Alger left
this command the morning of August 28,

the Endarging.

He has been absent since that date. I was not aware of his absence to National Geographical Magezine,

date. I was not aware of his absence until this brigade halted to feed near Halltown, when Assistant Sargeon St. Clair, of the First Michigan Cavalry, informed me that Col. Alter, owing to some indisposition, had remained at house in Harp-r's Ferry. At the same time, Assistant Sargeon St. Clair presented for my approval an application from Col. Alger for leave of absence for teanty days.

twenty days.

"As Col. Alger had two or three times "As Col. Aiger had two or three times previous to this applied for a similar leave of absence, when, in my opinion, he was fit for duty, and which opinion subsequently proved to be correct, as it has in the case now referred to, I returned Col. Aiger's application wittout my approval. He failed to join his comman!. I first heard of him again as stopping at the Eutaw House in Baltimore, Md. I now have authentic and reliable information that he is staying at one of the hotels in Washington, D. C., and that he has been placed on duty in the latter city as a member of the gerand that he has been placed on duty in the latter city as a member of the gereral court-martial. How he came to be detailed I cannot say. He left his command without authority, and after having been refused a leave of absence from these headquarters, and I have directed that he be reported 'absent without leave' on the muster-rolls of his regiment."

"Let this resignation be accepted"; the next day Mr. Stanton on broad & "Ac-cepted," and on September 19, 1864, Ed-ward Townsend, acting adjutant general, announced in special orders No. 324 that Col. R. A. Alger was "honorably dis-charged."

and modifications taking place in the native flors.

The phenomena which follow the advance of aridity are not limited by altitude; for, while the desert conditions at low elevations exhibit them in their most interest aspect, they are also clearle traceable to the highest summits, where gradually dwindling glaciers and abnormally high extensions of certain lowland types of forest show the general trend of the climatic change.

Did Not Like the Combination.

New York, May 18—The marriage of Mrs. Harriet E. Brach, the widow of Alfred C. Beach, the editor of the Scientific American, to "Doctor" Henry Etchardson Rogers, the spiritus Istic medium now in the penitentiary for assaulting a pt I coman with a hatchet, was annulled by Justice Gildersleeve in the Supreme court today. The action for the annulment of the marriage was brought by Mrs. Beache's Children by her first marriage, who alleged that their mother was insense at the time of the marriage. New York, May 18-The marriage of

Lumber and Fish at Bathoret.

Bathuest, May 18- The drives are all out and the Adams & Burns mill has commenced to cut. The Summer mill will commence oparations next week. They are now shipping last year's lumber.
The lobsier season so far has been good, the catches being about the average. The salmon nets down shore are mostly out. A few salmon at two or three points have already been taken.
