—Yesterday Mr. Richard Schell was telling over some of his gigantic financial schemes, how he once had a $5,000,000 operation in stocks, etc. "Don't these tremendous operations affect your sleep, Mr. Shell?" asked a fascinating widow lady. "Why, yes," said Mr. Schell, stroking his closely shaven chin; "they do sometimes affect my sleep. "When I'm in some of these big operations I frequently *sleep all day!*"—[Saratoga Cor.

School Management!

Manual of School Management,

T. H. HALL,
aug2 Colonial Bookstore.

WE request the Ladies to call at No. 11, North Side King's Square, St. John, and judge from personal examination whether it is any exageration to say that

RAYMOND'S SEWING MACHINES

are the simplest, most durable, least liable to get out of order, and most easily worked of any, and that his

FAMILY SINGER

will do a greater variety of work than any other Machine. The universal adaptation, unequaled beauty and simplicity, perfection of material and style of finish, recommend his several varieties of

SEWING MACHINES

as the best, while their low price places them within the reach of all.

☞ Machines rented and sold by instalments. Stitching, hemming, frilling, and tucking, done with neatness and despatch.
