

I have repeatedly applied to your department in this neighbourhood and at Burlington, some of the provisions in question have as yet been sent for. I would therefore recommend a party being immediately sent to Toronto for these provisions; an account of which I transmit herewith.

Believe me to remain

Dear Sir,

Your faithful servant

P. W. Byrnes

P.S.
A Black Smith of your Department, named Chapman stationed here, has 5 months pay due him: Pay when shall I receive an order to pay him?
