13-6-45		<p>0800 hours, ceiling unlimited, visibility 2 miles in haze. Flying washed in at 0830 hours, and washed out at 1530 hours. Flying time 78.45 hours.</p> <p>Mr. Haig, of the Y.M.C.A., has managed to obtain an order for a large supply of leather, for use in the Station Leathercraft Shop. This is a new source of supply, and it is hoped that it will maintain a sufficient flow to fill the demands of the ever-growing number of adherence to this excellent hobby. The hobby room is filled to capacity virtually every evening, and many take their materials out to work on them in their quarters. It is unfortunate that a greater amount of space is not at the moment available for the leather-workers.</p>
