Hon. W. L. Mackenzie King,  
Ottawa,  
O n t a r i o.

Dear Mr. King:

I have your esteemed favor of the 29th to hand and note it. I think it would have been a splendid thing if you could have arranged to have had the add in the Grain Growers Guide. However, we have to be guided according to conditions in these matters.

I suppose you are gratified over the return ✓ of the Oliver Government in British Columbia. It goes to show that men who stick right to their colors, I think, have a better chance than those running all over the road adopting hyphenated names with the hope of camouflaging the voter. I understand ✓ that Meighen was very disappointed with the result in East Elgin. I would like to have seen a Liberal elected but it is evidence that by the Liberals and farmers getting anyways together that Meighen, Calder and his new party will meet with scant support from the public only, perhaps, in the higher protection centres.

With kind personal regards, believe me

Yours sincerely,

*W. L. Mackenzie King*
