Dear Mr. Bennett:

It is only today that I have been able to catch up on my correspondence and your letter of the 13th is most welcome. It afforded me great pleasure indeed to have had the privilege of addressing a few words to the Edmonton Young Peoples' Board.

Please accept for yourself and convey to the officers and members of the Edmonton Young Peoples' Board my sincere appreciation of their kind enquiry as to my health and best wishes for success on the 30th. You can assure them I am now feeling fine and am in the best of health. Prospects throughout the country generally are looking very bright.

Very sincerely yours,

Cecil Bennett, Esq.,

Secretary, Edmonton Young Peoples' Board,

Edmonton, Alta.
