October 15, 1934.

Dear Sir:

Your letter of October 12th has been received during Mr. Meighen's absence from the office. He sailed on Wednesday last for Australia and is not expected back for at least two months.

I am, however, enclosing copy of a speech which I know he considers one of his best, and feel sure that he would have no objection to your using the whole or any part of it in the book which you are compiling.

Yours very truly,

Private Secretary.
