Sir,

I have to inform you that the same number of blankets will be required for the Indians of the Province of Quebec this year, as last.

Before giving you an Order, the Superintendent General would request you to forward to the Department, with the least possible delay, samples of the blankets which you may be prepared to furnish with the price attached to each.

I am,

Sir,

Your obedient servant,

A. M. M. ditto

Deputy of the Ministry

of the Interior

Joseph Vandy Esq

Merchant
