

APPENDIX.

LIST OF SEPARATES OF SOME PAPERS IN PUBLICATIONS
OTHER THAN THOSE OF THE GEOLOGICAL SURVEY,
BY MEMBERS OF THE STAFF AND
A FEW OTHERS.

This list is not intended to be a bibliography of the authors noted, but includes only certain papers by them of which separates have been distributed by the Survey. Copies of some of these are still on hand, and, whilst not available for general distribution, application may be made for them in special cases.

Adams, F. D.

- On the microscopical character of the ore of the Treadwell mine, Alaska. *Am. Geol.*, vol. IV, pp. 88-93. 3 figs. 1889. (Bound with paper by G. M. Dawson.)
- On the structure and relations of the Laurentian system in Eastern Canada. *Quart. Jour. Geol. Soc. Lond.*, vol. LXIV, pp. 127-148, 2 pls., 3 figs., 1 map. 1908.
- The nepheline and associated alkali syenites of eastern Ontario. *Trans. Roy. Soc. Can.*, 3rd ser., vol. II, sec. IV, 4to. pp. 3-76, 14 pls., 1 map. 1909. (With A. E. Barlow.)

Ami, H. M.

- Report on the state of the principal museums in Canada and Newfoundland. *Proc. Brit. Assoc. Adv. Sci.*, 1897, pp. 62-74 (separate, pp. 1-13). 1897.
- Synopsis of the geology of Canada. (Being a summary of the principal terms employed in Canadian geological nomenclature). *Trans. Roy. Soc. Can.*, 2nd ser., vol. VI, sec. IV, pp. 187-225. 1901.
- Knoydart formation of Nova Scotia. *Bull. Geol. Soc. Am.*, vol. 12, pp. 301-312, 1 pl., 1 fig. 1901.
- On the geology of the principal cities in eastern Canada. *Trans. Roy. Soc. Can.*, 2nd ser., vol. VI, sec. IV, pp. 125-174. 1901.
- Description of tracks from the fine-grained siliceous mud-stones of the Knoydart formation (Eo-Devonian) of Antigonish county, Nova Scotia. *N.S. Inst. Sci.*, vol. X, pp. 330-332, 1 pl. 1901.
- Bibliography of Dr. George M. Dawson. *Trans. Roy. Soc. Can.*, 2nd ser., vol. VIII, sec. IV, pp. 192-201. (Under cover with: "George Mercer Dawson," by B. J. Harrington.) 1902.
- Esquisse géologique du Canada ou matériaux pour servir à la préparation d'un chronographe géologique pour le Canada. (Extracted from *Le Naturaliste canadien*, vol. XXVIII, pp. 194-202; vol. XXIX, pp. 3-14, 19-30, 35-46, 52-61, 73-80, 1902.) pp. 61, ix. Quebec, 1902.
- National Transcontinental railway. Resources of the country between Quebec and Winnipeg along the line of the Grand Trunk Pacific railway (With map). *Sess. Paper No. 143* (English and French), pp. English xi, 179, French xi, 189. Ottawa, 1903.
- Sketch of the life and work of the late Dr. A. R. C. Selwyn, C.M.G., LL.D., F.R.S., etc., Director of the Geological Survey of Canada from 1869 to 1894. *Am. Geol.*, vol. XXXI, pp. 1-21 (separate with additions, pp. 1-24), portrait. 1903.
- Memorial or sketch of the life of the late Dr. A. R. C. Selwyn, C.M.G., LL.D., F.R.S., F.G.S., etc., etc., Director of the Geological Survey of Canada from 1869 to 1894. *Trans. Roy. Soc. Can.*, 2nd ser., vol. X, sec. IV, pp. 173-205, portrait. 1905 (dated 1904).
