FRIDAY, SEPT. 10th.

Review Day—The last, but one of the best days of the Exposition. All departments open and intact until 10 o'clock p.m., except Live Stock, which are allowed to be removed after the grand review in the afternoon. At 10 o'clock a.m., there will be a grand Auction Sale of Horses, Cattle, Sheep and Pigs on the grounds, and will continue during the day. Only the best of stock, which have been on exhibition will be offered. An excellent opportunity to procure first-class and well bred animals. Parades of Horses and Cattle in the rings during the morning. The Treasurer will be ready to pay prizes at 10 o'clock a.m.; exhibitors who can make it convenient to do so, are requested to call for their awards before leaving the grounds.

In the afternoon as on other days, the large Horse Ring and Track will be full of attractions. At 2 p.m. all the Horses and Cattle which have been awarded prizes will be paraded past the Grand Stand, forming a procession over two miles long, and presenting at a glance the finest and most valuable collection of Live Stock ever seen in one time on the continent, a sight well worth remaining over for or coming a long way to see. Running races, open handicap, half mile and 150 yard heats and Half-Bred Race, 1½ miles. The great entertainment in front of the Grand Stand, embracing all the special performances, the Musical Ride, the great Jubilee Procession, Bicycle Polo Matches, the guideless pacer "Josephine" and other features. All the special shows will be on view the entire day. Music by the Hungarian Gipsy Band, the Army and Navy Veterans and the Exhibition Bands.

Evening—Grand illumination of the grounds. Great entertainment in front of the grand stand, entirely the same as on previous evenings. Military displays by the Royal Dragoons and specialty performances, concluding with the final representation of the great and gorgeous
