

# The Supreme Test of a Sire

## Sir Lyons Segis

Read what T. A. Meyer says of the blood behind this great sire. King Segis has 16 officially tested daughters, 4 of this number with records over 30 to 35 lb. each.

Over 800 officially tested daughters, 17 of this number with records from 10 to 15 lb. each, or practically 1,000 daughters and granddaughters and 26 of these daughters and granddaughters with records from 30 to 40 lb. each, including the world record 45-lb. 4-year-old and the first 30-lb. 3-year-old of the breed, a showing that is nearly equalled by some of the other sires of the breed that have had 12 years of service to their credit. What would King Segis have had if he had 12 years of service to his credit?

A Gd.-son of King Segis, the Sr. Herd Sire at Allison Stock Farm. RECORD FEMALES IN CALF TO THESE GREAT SIRES WILL BE OFFERED AT

# The Allison Sae---Chester---April 5th, 1916

**20 FEMALES**  
 out of the thirty-three offered will have official R. O. M. records from 17 lbs. to 28.75 lbs., and all bred or in calf to our two great sires.  
 Look them up in the Catalogue.

**15 YOUNG SIRES,**  
 Ranging in age from one to fifteen months—all sons of Sir Lyons Segis, and from dams with good backing. Select your next sire from these fellows.

**13 FEMALES**  
 out of the thirty-three offered will have R. O. M. records over 20 lbs.—averaging 23.25 lbs. for 7 days.  
 A sire from any of these cows would be worthy to head any herd.

## Sir Riverdale May Echo

A son of the great May Echo who made 31 lbs. butter in 7 days, 786 lbs. milk and 23,707 lbs. milk in 1 year. A number of the dams will be in calf to this great sire. It is in the blood that combines type, breeding and big records.

If you have never visited Allison Stock Farm, come to our big sale on April 5. As we state in the head line above, the supreme test of a bull in his ability to throw good, clean stock with records greater than their dams. The blood of Sir Lyons Segis—one of the greatest Holstein bulls that ever lived, will do this in your herd. If you need a sire, come to our big sale and look over the 15 splendid fellows we offer; or secure one of the dams bred to Sir Lyons Segis. One outstanding feature of our herd is the remarkable high test; and this is particularly true of all the animals to be offered, and also the tested daughters of the herd sire Sir Lyons Segis. Whether you buy or not we will appreciate your visit to our big herd of 150 head. We will make you comfortable, and every animal offered will be entirely at your own price. The Catalogues are now ready. A postal will bring one to you.

Allison Bros., Chesterville, sale of Holsteins, Apr. 5. Sale of 50 pure-bred Holsteins, by Howard Baker, Windsor, Ontario, Apr. 5. Sale of Holsteins, D. A. McPhee, Crystal Spring Farm, Vankeise Hill, Apr. 5. Complete dispersion sale of 100 head of pure-bred Holsteins, May 1.—W. C. Stevens, Philippsville. The annual sale of Holsteins at Avondale Farm, Brookville, will be held May 17. Brookville District Club sale of Holsteins, about 75 head, May 18. G. A. Gilroy, Secretary.

### THE MCKAY-GRANT SALE ON MARCH 31.

Some very choice breeding is being offered at the combination sale of M. J. McKay and D. A. Grant, at Cornwall, on the above date. Two outstanding herd sires have led these herds. King Topay of Hot Look of the Grant herd, and the head of the Harwood, at Vandrevill. He is a particularly large sire and splendid make-up. His sire, a son of King Segis, was from the former world's Champion 4-year-old, Angrie Lily Holstein. His dam, daughter of Paul Berts De Kol. His dam, Nansette Topay Chivada, the first 30-lb. cow in Canada. This is itself should be sufficient to give Eastern breeders a line on the particularly rich blood that will be behind Mr. Grant's offering, many of which are from this sire, or bred to him. King Topay will also go under the hammer.

Prince Pontiac, the McKay herd sire, was bred by A. C. Hardy, of Brook-

ville, and is a son of King Pontiac Artis Canada, thus making him a grandson of the King of the Pontiacs. Holstein breeders know the value of such breeding; and its value moreover in the offerings in the McKay combination. This senior herd sire will do this in your herd, as this is a complete dispersion sale of the two herds.

In writing us the other day, Mr. McKay drew our attention to Wayne Butter Girl, now under test. She has just completed her first week with lbs. butter, and 451.1 lbs. milk, and still gaining. Her 3-year-old daughter, her yearling son, her heifer calf and also her 21.37 lb. dam are included in the sale. Queen Mutual DeKol, another one in the McKay herd, is also under test, and making 1-2 lbs. butter per day from 45 lbs. milk. These are two particularly choice herds that are being offered, and with the exception of three, all of the ones of milking age have official records. Breeders who require something particularly good should not fail to be at Cornwall on the 31st. Get further particulars out of the catalogue, which can be had for the asking.

### PRINCE EDWARD COUNTY LIVE STOCK BREEDING SOCIETY ANNUAL SALE.

THE Garden of Eden, so called Prince public on March 31, some of her forefathers will offer to the choicest in live stock.

The Percheron horses offered are among the best, several from imported sires or dams. One young mare was bred in Ontario last fall. We can all well recall where France would have been had she not had the good Percheron artillery horse to help her in the present war. In Cuydenades we have a rare opportunity to purchase such horses as the son of Cross, an 8-year-old imported stud, sire of a good one of the best on the farm. The owner of this horse has collected some 100 dams from him. Three young sons of this horse are in the sale, three imported dams. There are also five young Percherons in the sale, three imported, above mentioned horses; some of these sold from imported dams. Here is a chance to secure a matchless pair of mares. We will all call to mind the high prices of horses sold at the Hamilton mart. Now is the time to buy and prepare for the demand after the present war is over. In the Holstein combination there are sons of such sires as Inka Sylvia Bets, Poach, who has sired such cows as May

Echo Sylvia, our present Canadian champion. Lawrence May Echo Poach, with a record of 33 lbs. butter in 7 days, and Lawrence May Echo Poach, with 713 lbs. milk and 29 lbs. butter. There is a 3 mo. old son of King Segis Spafford Artis, 229 2/3000 son of the great \$10.00 King. This calf has a 13 lb. 3r.-yr.-old granddaughter of May Echo for a dam. There is a yearling son of Prince Pontiac Artis Warfield, who has a 23 lb. dam and a 23 lb. 3-yr.-old sister. This young bull has a 24 lb. dam who was sired by a brother in blood to King of the Four-fives. Another young bull of serviceable age is sired by King Sylvia Dixie, a bull that has a 19 lb. 3r.-yr.-old daughter. This young bull has a 29 lb. dam who is also sire as Victoria Burke, 21 lbs. butter 7 days. There are two young sons of Bets Korndyke, who is by same sire as May Echo Sylvia, etc. This bull has a 23 lb. dam; one of those youngsters has a dam with a yearly record of over 16,000 lbs. milk and 800 lbs. butter with better than a 4% fat average. Two other bulls of mention are Inka Sylvia Champion, a young bull reared two years old, who has bred some 15 young registered cows the past year; his sire has five sisters with 7 day milk record ranging from 702 lbs. to 876 lbs. milk each in 7 days. This bull has an 18 lb. 3r.-yr.-old dam that gave 70 the milk 1 day, 1775 lbs. 30 days in milk. The other young bull is Prince Pontiac Champion, 6 mo. old, sired by Pius Burke, whose dam and sister each gave 190 lbs. milk in 1 day. This calf is born 18 lbs the 3r.-yr.-old dam as bull mentioned was with a 46% fat, 1% water for entire year. There are several more young cows due at time of sale with great promise. There are also a few yearling bulls from sires as Prince Pontiac Artis Warfield. We also have 8 good young grade Holstein cows, all due to freshen this spring. Come to Prince Edward County's first Consignment Sale. Our stock is young and good.

### DISPERSION SALE AT GRACELAND FARM.

THE sale of pure bred Holsteins held by Elias Hulby of Graceland Farm on March 9th, was a decided success, prices being 10% above the annual sale. Four cows in the sale averaged and raised at Graceland before, all bred the lowest price being \$140. Two real bargains were secured in bulls, one going to N. Currah, and the other to H. Page, Downsville, at \$130 and \$115 respectively. It is understood that Mr. Haeg was prepared to pay \$100 or more for the bull he secured. Prices realized were as follows:

- Currah Sir Tasko Colantha, \$130, N. Currah; Welcome No. 2, \$100, H. Clarke, Atwood; Graceland Busy Lyons, \$250, L. E. Westfaller, Tavistock; Graceland Sir Lyons, \$115, H. Haeg; Downsville; Pansy Lyons Hengerveld, \$220, L. E. Westfaller; Fletch's Beauty Poach, \$175, G. C. McIntosh; St. Mary's Beauty Graceland Hengerveld 2nd cow and calf, \$250, H. Haeg; Graceland Mily Belle, \$126, Wm. A. Rutime, New Hamburg; Graceland Bets DeKol, \$40, S. Cross; Graceland Listowal; Graceland Jewel, \$16, W. W. Morgan, Downsville; Graceland Lady Lyons \$165, R. Thompson; Graceland Cudd; Cecil Hengerveld Wayne, \$145, S. H. Conover.

Three animals owned by L. L. Weirland of Tavistock were sold at this sale, bringing the following: Mitchell Mercedes Inka, \$170, H. Haeg; Mercedes Beauty DeKol, \$20, L. Lovell; Mitchell; Johanna Butterbank Ind, \$16, C. Bollett, Tavistock.

### HASTINGS CO., ONT.

TWEEED, March 11.—We have recently had some heavy snowfall and as a result the roads are in a very bad condition so that very little fodder is being moved. Hay is in good demand, at \$20; potatoes, \$1.75 a bush, and hogs, \$9.65 a cwt.—H. B. T.

### THE BELLEVILLE SALE.

In the advertisement of this issue it is stated a full brother of May Echo Sylvia will be offered. This is a full brother to the Foster herd, and should read half-brother to May Echo Sylvia Pontiac Hermes, the herd sire of E. B. Mallory, is a son of Hengerveld DeKol, instead of King of the Pontiacs, as erroneously stated. Send for a catalogue and look up the breeding.
