

Go Anywhere with your car

BUT go prepared for every kind of road.

Carry chains *every time*. Because chains will give your wheels the grip that means safety for you and the car.

And carry Dreadnaught chains, because no others grip so firmly—no others are so easily put on.

Dreadnaught Tire Chains have a special Long-lever Fastener. The links are electric-welded and case-hardened, insuring strength and long wear; rim-chains are rust-proof.

*Your garage man can supply you with these superior chains.
Write us direct if you have difficulty obtaining them.*
