WINDSOR DAIRY SALT

The butter-makers who win the first prizes agree that the purest, richest cream in the world won't make prize butter without WINDSOR SALT.

Practically every butter prize awarded at the fairs last summer went to those who used WINDSOR DAIRY SALT. And they are going the same way this year.

When it comes to cheese, the practical, successful makers throughout Canada consider WINDSOR CHEESE SALT absolutely necessary if they are to make the smooth, rich cheese that "keeps" and commands the highest prices.

Every dealer sells WINDSOR SALT.
