

THE LITTLE WONDER.

At last the question of POWER for the farm, the shop and the printing press, is solved by THE

Little Wonder

GASOLINE ENGINE.

The Little Wonder is the lightest in weight (250 pounds), and most compact of the age. It takes very little space, and being odorless, it can be placed in the house of the farm for cream separator work, etc.

These wheels are all up-to-date and fully guaranteed, nicely enamelled, and look as good as new ones. Last year we sold a vast number of them; this year we expect to sell a still greater number. We sell our wheels all over the Dominion. In many instances, when a wheel is purchased in a neighborhood, and is seen by the friends of the purchaser, we get a great many orders from that district, which shows how our wheels are liked. With each wheel we send a tool bag and full kit of charge. Wheels are nicely crated for shipment without extra charge. Remember, many of these wheels are worth \$20, but to make quick sale of them we are offering at this very low figure. We advise customers to buy before the rush. Remember the price, only \$10.
