Inflammatory Rheumatism.

I had an attack of Inflammatory Rheuma tism that commenced last December, which confined me the house for eight weeks, and from that time I remained numble to work until the last of March, when I commenced the use of GRAHAM'S PAIN ARADICATOR under the pro-prietors directions, one bottle os which, in less than a week, left me lible to work, and two bottles made a complete cure.

FOR RESTORING GRAY HAIR TO ITS

NATURAL VITALITY AND COLOR. IT is a most agreeable dressing is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, laded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality

and strength, and renders it pliable. The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and
