

The Top Notch of Quality.

"Hand-in-Hand" Brand Bi-Carb. Soda.

As true as the needle of a compass in the unvarying evenness of the grade. The "Hand in Hand" Brand *has the strength of the strongest, because of its great purity—98 50/100 of pure bi-carbonate of soda in it!* Known as the brand that creates permanent business, and designated by the Trade Mark of a pair of Clasped Hands, which *must* appear on every package or cask of the genuine goods. "The Top Notch of Quality."

Griffin & Skelley's "Griffin" Brand Dried Fruits.

Direct from the Vineyards of the Packers, which are among the largest on the Pacific Coast. Dried Apricots, Peaches, Pears, Raisins and Prunes, grown, cured and packed under the watchful care of men of life-long experience. No tampering with the product after it leaves the packer's hands—your *own* hands will be the first to touch the goods. Above competition—"The Top Notch of Quality."
