

McClary's Kootenay

TOP, bottom and all four sides of the Kootenay oven are evenly heated. That is why it is so famous as a dependable baker. There is a thermometer, too, to tell whether the heat is right or not.

No range is quite so easily managed. Duplex grates clear the ashes at a single turn. Burnished cooking-top never needs blacklead. Nickered steel oven walls are kept clean with a damp cloth. Well-fitted joints and dampers hold the fire—and the oven heat—for hours.

Let us show you the Kootenay.

THE WORLD is staggering with debt. Some of the leading countries are verging on bankruptcy.

Five years ago Canada had never dreamed of the financial burden she carries to-day.

Canada entered the Great War with a National Debt of \$337,000,000, or \$42 per head of population. Canada emerges with a National Debt to date of \$1,670,263,691, which is expected to approximate \$2,000,000,000 by the end of the fiscal year—or about \$250 for every man, woman and child in the country. Interest charges alone will eat up nearly one-half our present national revenue, and soldiers' pensions will have to be provided as well.

Can Ontario Afford to Spend \$36,000,000 a Year on Booze?

PREVIOUS to the Ontario Temperance Act the drink bill of the Province approximated \$36,000,000 per year, an amount about equal to Ontario's share of the Annual interest on our National Debt. In the face of our financial responsibilities alone, is this the time to repeal the Ontario Temperance Act or relax a single one of its restrictions upon waste of money and man power? To every question on the Referendum Ballot vote—

"No!"—Four Times—"No!"

No Repeat—No Government beer shops—No intoxicating beer in Standard Hotel bars—No Government beer and whiskey shops. Be sure you are on the voters' list. Be sure you mark your ballot four times—X—X—X—X—in the column headed No.

Early fall after the long dry summer time is perhaps the most propitious time for painting. Painting done in the fall instead of the early spring prevents blistering.
