### In Memoriam

SHAW—In loving memory of Mrs. John Shaw, who died at Addison July 31st, 1920.

One precious to our heart is gone,  
A voice we loved is still,  
The place made vacant in our home  
Can never more be filled.  
Our Father in His wisdom called,  
The boon his love had given,  
And though in earth the body lies,  
The soul is safe in heaven.

### Hospital for Sick Children

COLLEGE ST., TORONTO.

Great Provincial Charity Makes Christmas Appeal to Friends of Childhood.

Dear Mr. Editor:

The most vital fact in public health service throughout the province is, as you know, the tremendous strides made in child welfare work. Modern science is harking back to the ancient proverb that "An ounce of prevention is worth a pound of cure." It has been the privilege of the Hospital for Sick Children—the greatest institution of its kind upon the continent—to find that ounce of prevention.

In bygone days dependence was put more largely in medicines. Nowadays there is a closer partnership between the pediatrician and Dame Nature. Since the erection of our Baby's Ward and the establishment of well babies' clinics the infant mortality in Toronto alone has been reduced from 165 to 82 per thousand. Further statistics which might be given would merely corroborate the actual life-saving value of the Hospital's work. And it is unnecessary to explain to you that the information as to the researches which make such a record possible is at once communicated to the Health Officers and practicing physicians throughout Ontario.

Consequently the Hospital has surely a claim upon the Christmas-time generosity of every friend of little children. An institution which is securing the new-born child twice the chance, not merely of good health, but of life itself, is entitled to the abundant support of the public. During the past financial year, revenue from all sources fell one hundred dollars a day behind necessary expenditures.

It has always been the ambition of the Hospital for Sick Children to gain not only the support but the sympathy of the people of Toronto, and so to-day, with a debt exceeding \$150,000, it appeals to your readers to help along with some gift, whether it be great or small. A contribution of \$2,000 from an individual or a society gives the privilege of naming a cot for all time; a donation of 25 cents will run the whole Hospital for half a minute. Between these two amounts there is surely some sum which can be sent by everybody to the secretary-treasurer at 85 College street, Toronto, as a token of interest in a charity whose field is as large as this province. The Hospital for Sick Children is one of the largest and most highly regarded in the world. It is an institution in which the people of Ontario may take legitimate pride, for it is through their generosity that success has been possible.

Two hundred and fifty children, pale of cheek or with twisted limbs, will be the immediate beneficiaries of the Yuletide remembrances of your readers. Thousands more throughout the coming year will benefit by their kindness.

IRVING M. ROBERTSON,  
Chairman of Appeal Committee
