Soap, Ointment and Pills the World's Greatest Skin Cures.

Complete Treatment for Every Humour, from Pimples to Scrofula

WHEN ALL ELSE FAILS

The agonising itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter and salt rheum, all demand a remedy of almost superhuman virtues to edy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pilis are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humour remedies of the civilized world.

The grandest testimonial that can be offered the Cuticura remedies is their world-wide sale, due to the personal recommendations of those who have used them. From a small beginning in the simplest form, against prejudice and opposition, against monied hosts, countless rivals, and trade indifference, Cuticura remedies have become the greatest curatives of their time, and, in fact, of all time, for nowhere in the history of medicine is to be found another approaching them in popularity and sale. THOUSANDS ACQUIRING THE DOPE HABIT.

The dope habit is being acquired by thousands of Canadians through us-ing so-called cures for Catarrh containing an excessive amount of alcohol and other dangerous drugs. Doctors claim there is only one safe and certain cure for Catarrh — Tragrant healing Catarrhozone, which cures by medicated vapor that is breathed direct to the seat of the disease. The balsamic vapor of Ca-tarrhozone kills the germs, heals sore spots, stops dropping in the throat, keeps the nose clear and permanent-ity eradicates every trace of catarrh from the system. Catarrhozone can't fail; it's guaranteed. Two months' treatment \$1.00; trial size 25c.

THERE IS GREAT DANGER

If Left to Run Its Course Unchecked, It Often Causes Death.

Catarrh scatters its poisons throughout the entire system. The stomach and lungs are affected by the droppings that fall into the throat and are swallowed during sleep. Dyspepsia, inflammation of the stomach, bronchitis and consumption are the results. The blood also be-comes contaminated and carries the poisons to all parts of the system. Frequently in the more advanced stages, the bones of the head become decayed and the air passages are a putrid mass and create a stench so foul and offensive as to be unbearable. One of the latest witnesses is Mr. Joseph Rochett, St. Jerome, Que., who says: "I simply hated the thought of food. Mr. Rochette's statement is a strong tribute to the Tonic Treatment. Dr. Williams' Pink Pills cured him because they actually made new rich blood for him. These pills go right down to the root of the trouble in the blood and cure that. The new blood they make carries healing health and strength to every part of the body. That is the new Tonic Treatment, and the highest medical authorities now recommend this treatment for all the common ailbackaches; raeumatism, sciatica, neu ralgia, nervousness, dyspepsia and general weakness. These are all caus-ed by bad blood and therefore are all cured by Dr. Williams' Pink Pills.
