

## Your Nearest Doctor

for dealing with any skin sore or injury is found in Zam-Buk. At home and at work it's the healer that cures itching and irritation, prevents festering, and blood-poisoning, drives disease from the tissues, and promotes quick healthy healing. Keeping Zam-Buk always handy ensures you and the family against skin troubles. With it you're prepared for any emergency.

Mrs. J. Randall of Silver Stream, Sask., writes: "Here is an excellent which proves conclusively Zam-Buk's wonderful healing power. One day my daughter when using the washing machine, tore the top off her finger. As we live eighteen miles from a doctor, I got out the Zam-Buk (which was always handy) put on a liberal dressing, and bound up the finger carefully. The injury gave no further trouble. The use of Zam-Buk made it unnecessary for us to trouble the doctor, for in wonderfully short time, the wound healed completely."

Zam-Buk is equally good for burns, scalds, eczema, ulcers, cold sores, scalp diseases, abscesses, blood poisoning and bites. All dealers sell. Name of dealer and full directions to Zam-Buk Co., Dupont Street, Toronto, brings Free Trial Box.

## ROBERT STEAD'S NEW ROMANCE

Robert Stead, once of Calgary now of the Civil Service in Ottawa, is today second only to Ralph Connor in popularity as a Canadian romanticist. Like the author of "The Sky Pilot," he has chosen the west as his

stamping ground. From his early boyhood he lived in the prairie country and no one knows all its many-sided life better than he does. Out of this adventurous region came his first novels, "The Ball Jumper," and "The Homesteaders." His first novel, "The

Cow Puncher," is also wholly western in its atmosphere and action. His new story, "Dennison Grant," so-called from the name of the hero, offers some variation in his previous novels in that it shifts from east to west and from west to east, just as the author himself has done. The opening chapters are laid in the ranching country of Alberta and describe the tragic rivalry of the Y. B. gang and the Grant gang in their contention for the hay rights in a wild valley in the foothills of the Rockies. It was in the course of this exciting melee that Dennison Grant first came into touch with old Y. B.'s daughter, the wild and vivacious Zen, the most attractive of all Stead's heroines. The story swings from Alberta to an eastern city, which has no name but is probably Toronto, then back to Alberta once more. The climax is remarkably free from conventionality and will thrill the reader with its passion and unusual dramatic situations. An intensely interesting love story, this romance is bound to be one of the big sellers of the season. It is published by the Munson Book

## Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

However, whether in liquid or solid form, Peps gets to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.
