COMMENT.

Want to Boom Lacrosse.

An effort is being made to put lacrosse on its feet in the Maritime Provinces and a Moncton despatch says—"The idea is to have the league embrace Moncton, St. John, Fredericton in New Brunswick, and in Nova Scotia, Halifax, Truro, Amherst, St. John's, Westville, New Glasgow, Sydney and North Sydney. A meeting of the representatives from these places will be held here on Saturday, the 22nd, and it is expected the idea will take definite shape. It is proposed to divide the territory covered into sections and have the winners of each section play off for the championship. Now, personally the writer would like to see every sport boom about here. For this city baseball and the ponies with some wheel racing will be about all, thank you. That's how we feel for this summer but by some other year the city may be larger and in a position to have a good lacrosse team.

George Mercer's Death.

The death of George Mercer, who was to have been the catcher on the Woodstock Colts baseball team this season, is deeply lamented here, where the young man had many friends. He was last seen here when he visited the city with the Woodstock City Club.

BASEBALL.

Tartars Make A Move

The Tartar Baseball Club held its first meeting this season at the Waverley Hotel last evening and from all appearances baseball will take on quite a booming appearance this summer. The late rains have cleared the ball grounds at Scully's Grove and snow and ice as soon as they are dried up hard practice will be commenced. There is a large supply of timber on hand this season from which to pick a team and the work will have to be proceeded with impartially and most cautiously. Each man must get a fair trial to have things going properly.

Unless George Finnamore remains here for the summer there is going to be some doubt as to who will ultimately play at short stop. Jimmie Roberts will make a bid for the job this season and says that he will practice faithfully. It is realized that in Mike McDonald and Ken Dunphy the team has two first class dependable catchers and in Bruce McFarlane, Frank McManamin, Tom Hughes and Jack Jones there is a lot of good outfield material. Arthur Finnamore has heretofore played either in the outfield or behind the bat but this season his friends want to see them try his hand at short stop. He has a good eye, a strong arm and he is fast on his feet. All that he has to do, it appears, to make good is to properly use his head. The twirling this season will be done once more by Dick Molloy, Tom Hughes and Boone, the St. Marys wonder. Percy Foster and Frank Hughes are fixtures at the two last corners while George Burden will try his old place at the initial sa. k. Jimmie Lifford, a selection unknown, is also out for the job at first. There are some other good men besides these who will probably turn out for practice, including Frank Flanagan, Jack McBeath, of the U. N. B. and others.

Owing to the inclement weather and some other attractions meeting last evening of the club was not very largely attended. The matter of electing a captain was deferred until a full meeting of the club to be held next Thursday evening at 7:30 p. m. at the Waverley Hotel, but Arthur Finnamore will almost undoubtedly be the man. George Burden will once more act as treasurer of the club while Arthur McNeill is secretary, with Frank Sadler the business manager.

Mr. Harry F. McLeod will be asked to accept the presidency of the club, while an Honorary President will probably be named later.

The officers who probably form the executive of the club along with the members of a committee to be appointed to pick the teams and to arrange the batting order, etc. This committee will include the captain, another of the players and a local baseball writer.

Under the above arrangement it is felt that everything will be run smoothly.

Woodstock's Chances.

Up in Woodstock they are doing all in their power to get a New Brunswick

An Easy Way to Cure Splitting Headaches.

If headache sufferers would do a little hard thinking, they would surely learn that headaches of all kinds are simply results—warning signals—of far more serious trouble. Usually headache means that the blood and nerves are poisoned by an inactive and sluggish liver. Don't become one of the habitual headache sufferers, who explain their condition by saying, "Oh, I am subject to headaches. I always get headache if I get excited, or it is too noisy." There is no need of it, either. Stop taking headache powders and powerful drugs that may relieve, but leave you in worse condition in the end. Put your liver in good shape, so that it will carry off foul excretions and remove properly the bile elements from the blood. Use Smith's Pineapple and Butter Pills and you won't have headache. Why? Just because these little pills are Nature's true remedy, a positive cure for a torpid liver. They assist digestion, unblock the bile ducts and cure headache by first removing the cause. Smith's Pineapple and Butter Pills cure headache, constipation and biliousness in one night. Price 25 cents at dealers.

All genuine signed W. F. Smith.

SMITH'S BUCHU LITHIA PILLS

A POSITIVE CURE FOR RHEUMATISM AND ALL FORMS OF KIDNEY AND BLADDER ILLS.

AT ALL DEALERS—AS CERTAIN A CURE AT THE PEOPLE'S PRICE.

Baseball League under way. The Press says—"The baseball enthusiasts are making an earlier start to ensure a good team and to begin practice than has been the custom in past years. There is no reason why Woodstock should not have a strong team on the diamond this year. In looking over the material available the general impression is that a nine can be secured that will make the best of them busle for pennant honors."

It is likely that Lewis Millmore will act as captain and catcher for the team, with James Long and Roy McLauchlan pitchers; Frank McRae, first base; Wm. Courtney or William Dalting, second base; Claud McLean, third base; Fred McLean, Stanley Pickle or Fred Drysdale, short stop; Guy McLauchlan, Arthur Glidden and Hal Drysdale in the outfield.

BASKETBALL.

Milltown and All-Fredericton.

The basketball game at the Y. M. C. A. gymnasium this evening should be witnessed by a large crowd of enthusiasts as it promises to be a hard fought contest. The Milltown team will be right on its nettle and anxious to win at least one of its games here. The team has played six games this year and 1 game out of the 9 played have been won. The Milltown players have met the Machias, Belfast and other fast State of Maine teams. The game tonight will commence at sharp 8 o'clock. The line up of the All-Fredericton team is:

Fowler, P. N. S. Forwards Patterson, Y. M. C. A. Centre Finnamore, Trojans. Defence Burden, Trojans. McManamin, Trojans.

U. N. B. Won from Milltown

The basketball game, if such it can be called, last evening between the Milltown team and the U. N. B. was won by the latter by a score of 16-11. The College boys had the best of the game all through. In their combination work they were vastly superior to the boys from the border town. The game, especially toward the end, took the form of football rather than basketball, making individual play and good throws almost impossible. The line up was as follows:—

Corbett forwards Maxon
McIntosh (Capt) centre Hayward
Manser defence McBeath
Shannon defence Thorne
McLeod defence Barker (Capt)

It was decided that each team should have its own referee during one half. Mr. Bob Vandine refereed the first half in a very prompt and satisfactory manner. During this half the play was fairly good and clean. At the end the score stood 12-2 in favor of U. N. B.

The second half was refereed by Mr. Campbell, one of the visitors who came along with the team. During this half the play was very rough, and the U. N. B. boys were penalized several times, while the Milltown team escaped without any penalties. When time was called the final score stood 16-11 in favor of U. N. B.

The scoring was done as follows:

1ST HALF.

1. Penalty goal, Barker, U. N. B.
2. Field goal, Hayward, U. N. B.
3. Field goal, McBeath, U. N. B.
4. Field goal, Hayward, U. N. B.
5. Penalty goal, Barker, U. N. B.
6. Field goal, McIntosh, Milltown.
7. Field goal, McBeath, U. N. B.
8. Field goal, McBeath, U. N. B.

2ND HALF.

1. Field goal, McBeath, U. N. B.
2. Penalty goal, McIntosh, Milltown.
3. Field goal, Manser, Milltown.
4. Field goal, Shannon, Milltown.
5. Field goal, Corbett, Milltown.
6. Field goal, McBeath, U. N. B.
7. Field goal, Corbett, Milltown.

The Milltown team played a picked city team this evening.

The U. N. B. team was weakened by the loss of its star forward Dunphy who was prevented by illness from taking part in the game. His place was taken by Maxon, who played a very good game.

CHICAGO FIRE.

Plant of Art Bedstead Co. Destroyed—Employees on Strike.

CHICAGO, April 7.—Following by only a few hours a vicious attack by the employees on the employees of the Art Bedstead Co., the plant of that company on Rockwell Street has been ravaged by fire. The flames wrecked the entire south half of the plant and caused a loss estimated at \$100,000. A score of families living in cottages along the two streets were driven out of their homes, although their houses were not damaged. For four weeks a strike has been on at the plant, and the non-union workmen frequently have been harassed by pickets. The blaze started a series of explosions in the shellac department.

A KNOTTY PROBLEM.

A good tune of a piano is its ability to remain in tune, and this problem is nearer solution in the Gourlay piano than any other now on the market. When it is considered that the tension on the strings and pins of a seven-and-a-third octave instrument is the layman can realize that it is no common task to prevent these strings and pins from "giving" and thus lowering the pitch. The Gourlay has in its construction a pin block which is unaffected by temperature and solid as Carlyle's "Frederick the Great." The string which can depend for support on a pin set like an immovable rock need not fear the varying humors of the Weather Man.

It is easier to talk a man out of a thing than it is to fight him out of it.

Ladies' New Hats.

We are now showing a large collection of Ready to Wear, Trimmed Hats, imported direct from New York.

These Hats are made by designers of Women's Headwear. See our display of the very latest American Style Hats. The same shapes and colors as American ladies wear. Our prices are about one half of your milliners charges.

The Flour of The Family

For unflinching success in baking—for health—for economy—for every day satisfaction—"BEAVER" FLOUR is the pride of the pantry. It is a blend of Manitoba Superior and Ontario Fall Wheat—combines the food properties of one, with the bread-making qualities of the other. It is the only flour blended especially for home baking. This blending of two kinds of wheat into one flour, enables the housewife to get the best results. With

Beaver Flour

for all your baking, the bread and biscuits will always be white and light—the cake and pastry will always be delicious and inviting.

"Beaver" Flour is always the same—always the best flour that money can buy. And the best costs no more than the next best.

Your grocer will get it for you if you specify "BEAVER" FLOUR whenever you order.
