FOUR GRAND PRIX FOR GTR

In connection with the Grand Trunk Exhibit at the Festival of Empire Crystal Palace, London, England, further advices dated September 12th. have been received from London regarding the awards that were given to the Grand Trunk, and the Grand Trunk Pacific, and it is gratifying to know that these Companies have received four 'Grand Prix' for their splendid display instead of the two that were announced in the cable received on September 1st.

These awards have been under the following— "Arts and Crafts", Engineering, Lighting, and Transportation," and "Building Trades", also "Advertising". This is considered by the Companies named as a great honour, as other railways exhibiting at the Exhibition have only received one award.

The official report from the Grand Trunk representative at this Exhibition, for week ending September 8th, shows that the number of persons visiting the Grand Trunk Pavilion was 21,185, bringing the attendance up to September 8th., to 279,042 people.

NORTHUMBELAND COUNTY COURT

The Northumberland County court was to have resumed on Wednesday morning at 10 o'clock but the fog in the river made an early trip of the boat to Newcastle an impossibility and many of those interested could not arrive on time. Consequently, His Honor Judge McLatchey, adjourned the setting until 2 p m.

At Thursday's morning session His Honor pronounced sentence on Andrew Murdoch. The prisoner asked leniency on the ground that his health was greatly impaired. He was sentenced to three years in Dorchester penitentiary. Murdoch was represented by R. A. Muaray, K. C.

John Handley and John O'Kane who pleaded guilty to breaking into W. F. Cassidy's establishment at Chatham, were next brought into court. His Honor, after acquainting the prisoners of the seriousness of the offence, informed them that he was going to give them an opportunity to do better. He allowed both defendants out on suspended sentence on condition of their good behaviour for one year. He required both men to give security of \$1000 each, \$500 on their own behalf and two sureties each of \$250.

The jury brought in a verdict of theft of a basket of grapes against John Cripps. Mr A A Davidson prosecuted and Mr R A Lawlor defended. The accused was allowed out on suspended sentence. Sureties of \$1000 were given.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all dealers.

ALGONQUIN NATIONAL PARK

The high altitude of the Algonquin National Park of Ontario is one of the attractions and has much to do with the benefit derived from a visit to it. The elevation above sea level at Algonquin Park Station the objective point on the railway, is 1700 ft. There is tonic quality to the air which must be experienced to be understood. With prevailing winds from the north and the west, the air is purified by its journey over millions of square miles of forest land, much of which is pine and balsam. "The Highland Inn" offers exceptionally good accommodation to visitors and any season of the year is a good time to visit this territory. The Inn is open all the year round. Handsome publication and all information free on application to J. H. Coreoran, T. P. A. Moncton, N. B.
