IN MEMORIAM

In loving memory of Mrs. Sidney Parks (formerly Miss Mae Tozer of Sunny Corner) who passed away on Nov. 1st 1919.

Dearest girlie, gone forever,
Leaving loved ones sad and lone.
Sleeping over in your grave yard,
Just across from your old home,
In the cold, cold earth they've laid you,
Out of sight, not out of mind,
One Gold link went with you girlie,
Leaving broken links behind,
Often times we stood together,

Watched a funeral wend its way
To the church yard, little thinking
You would sleep so soon there Mae
"All Saints Day" how sad and Holy
Seemed the quiet morning air
When you glided up to Heaven
Joining hands with loved ones there
Gone? yes gone, no more we'll meet
you,

See you coming up the hill,
No more laughs and talk's together,
Your kind voice is ever stilled
Never will dear ones forget you
Never will the friends you made
Let the foot-steps you have printed
On the sands of memory fade,
No more earthly cares and sorrows,
No more strife and no-mors pain,
But we're lonely, Oh! so lonely,
Naught can mend the broken chain

Publicity Department For N.B. Telephone Co. Ltd.

St. John, N. B., Nov. 13—Capt. J. D. Black, one of the best known newspapermen in the Maritime Provinces, has been chosen by the Managing Board of the New Brunswick Telephone Company Limited to undertake the organization of a Publicity Department, which the expanding activities of the company has made necessary.

Through the medium of its Publicity Department, the New Brunswick Telephone Company expect to be able to keep even more closely in touch with the users of the upwards of 23,000 of their telephones that are now in operation to improve the relations between the organization, its hundreds of employees and the public. "Keeping abreast of the times" is the phrase which best explains the necessity for an organization of such magnitude as the New Brunswick Telephone Company having this new Department and its formation indicates the progressive policy which the reconstruction period finds the Company putting into operation. Not only will the Publicity Department be an important factor in promoting the after-the-war development, but it is also expected to be the means of giving the public a better comprehension of the problems and difficulties which have to be met and overcome.

For more than fifteen years "Doug" Black has been on the News Staff of the Gleaner in Fredericton and during that time he has had a varied experience in all branches of the Editorial Department of newspaper work. He has also been correspondent at the Capital for a number of Canadian and American newspapers and was for several years Official Reporter of the New Brunswick Legislature.

He has taken an active part in Sporting activities at Fredericton. He was the executive head of the original Fredericton Baseball Club, which was formed in 1911; and organized the famous "Pets" who won three successive championships of the New Brunswick & Maine League. He was Manager of the Fredericton Trotting Park for several years, having organized the Maritime Racing Circuit when it had one of its most successful periods in 1919; and he was a member of the Executive which brought the Capitals to Fredericton in 1908, when the city yearned for a Hockey Championship.

When the McLean Highlanders were organized by Lieut. Colonel Percy A. Guthrie in 1916, Captain Black was appointed Quartermaster of that unit and he was in charge of the extensive publicity work carried on in connection with their recruiting campaign, both in Canada and the New England States, which resulted in the Kilties becoming one of the most widely known Units organized in the East. Since his return to Canada from Overseas and his discharge from the C.E.F. early this year he has been occupying his former position in charge of the News Department of the Gleaner. During the next few days he will enter upon his new duties and will make his headquarters at the executive Offices of the New Brunswick Telephone Company, Limited, Prince William Street, St. John. His family will probably not remove from Fredericton to St. John before Spring.

Weekly Agricultural Report

There are still some turnips to harvest in various parts of the Province, although the greater portion of the crop is harvested. The crop on the whole is reported to be somewhat below the average.

Potatoes are moving on the market quite freely. The market has quite a firm tone, prices ranging from \$3.00 to \$3.25 per barrel.

Cattle are reported as going into winter quarters in fair condition. The demand for milk cows is good. Prices range from \$50.00 to \$100.00 for grade cows. Milk production has fallen off very rapidly, as is always the case this time of year when changing from pasture to barn feeding. Butter prices are firm, creamery butter retailing for 67c per pound in Moncton.

Twelve car-loads of lambs have been shipped cooperatively to the Montreal market by farmers in the eastern part of the province. Six cars from the Port Elgin district netted farmers 10 1/2c per pound, live weight for lambs.

In 1643 the English Parliament passed an act forbidding women to read the New Testament in English.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.
