Returned Soldier's Insurance Act

All returned soldiers and their families will be interested in the Returned Soldiers' Insurance Act, under which they are provided with an opportunity of obtaining Life Insurance at most favourable rates. The Act became effective on September 1st, 1920, and will remain in force for two years.

Under the provisions of the Act any honorably discharged soldier, sailor, or nurse, of the Canadian Forces domiciled and resident in Canada may insure with the Government to an amount of from \$500.00 to \$5,000.00. Under certain conditions the Act of a returned soldier, who died subsequent to discharge, may also obtain insurance.

In addition to former members of the C. E. F., the privileges of the Act are available to anyone, male or female who served during the late War in the Imperial Army or with the Forces of any of the allied or associated powers, providing they were domiciled and resident in Canada before the War and hold an honourable discharge.

Many of those who served overseas, while not suffering from a severe disability, find that their physical condition is such that they are unable to obtain life insurance at all or only at much higher rates than are normally demanded. They, therefore, find themselves severely handicapped in providing protection for their dependents. Under the Returned Soldiers' Insurance Act all returned men are placed on an equal basis as no medical examination is required.

The premium rates are low. They vary with the age of the insured and the plan of insurance chosen. At the age of twenty-five a straight life policy for \$1000.00, costs \$1.24 per month. At the age of thirty-five the rate is \$1.70 per month. Beneficiaries are limited in the case of a married man to his wife and children. An unmarried man or a widower without children is required to name his future wife and children as beneficiaries. Should the insured die unmarried the insurance money may be paid to one or more of his immediate relatives according to his will.

An exceptional advantage of this insurance is the provision made for a disability benefit. Under this section should the policy holder become totally and permanently disabled he is relieved from paying further premiums and the insurance money is paid to him direct in annual instalments equal to one-twentieth of the total amount of the policy.

Booklets explaining the Act, and application forms may be obtained from all branches of the Great War Veterans' Association; The Soldiers' Aid Commission; Imperial Veterans' of Canada; Grand Army of United Veterans; Department of Soldiers' Civil Re-establishment; Military District Headquarters and District Offices of the Board of Pension Commissioners; or direct from the Commissioners, Returned Soldiers' Insurance, Transportation Building, Ottawa.

Three Organs Proposed In the Maritime Synod

Pictou, Oct. 7.—The Maritime Presbyterian Synod today adopted a majority report of the committee considering the future of the Presbyterian Witness recommending that the Synod decline to assume the responsibility of advising the directors of the Witness as to their action at the present juncture. A minority report was presented opposing the transference of the Witness to Toronto. After a warm discussion the majority report was finally adopted, on a vote of 36 to 8 and a committee was appointed to bring in a finding that will express the Synod's mind on the situation created by this vote. Rev. D. G. S. Carson, editor of the Witness, was recommended by the Synod as editor in chief of the new Witness. Rev. Charles MacKinnon and other speakers advocated the establishment of at least three church papers, one in Halifax, one in Toronto and one in Winnipeg.

PEPS

the real breathable tablets, make the throat, chest, and lungs cold-resisting. When a nasty cold or a coughing bout foretells the revival of your old bronchial trouble, the best thing to do is to take Peps at once to strengthen and

PROTECT

the chest. When a Peps tablet is taken from its preserving silver wrapper and allowed to dissolve in the mouth, it gives off powerful medicinal and germicidal fumes that immediately circulate with the breath through all the air-passages, and destroy any germs that have got into

YOUR

nostrils and throat. At the same time the sore, inflamed membrane is soothed, healed, and protected, phlegm is released from the bronchials, breathing is made easy, and that distressing cough and throat soreness disappear.

By this direct treatment Peps keeps trouble off the

CHEST

and lungs, and the worst weather can be faced without fear of evil consequences. It is the safest plan to always have a few Peps handy to arrest a cold, and prevent it reaching the lungs or starting bronchitis and chest weakness.

Don't Prod Your Liver to Action

MR. OVERCOME'S BILIOUSNESS, CONSTIPATION, Sick Headache, Quality, No Griping or Pain, Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—must be kept in the proper action of any of these organs is largely dependent upon the correct functioning of all the others. "Whipping" your liver into action with cathartic laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system, with Nature's Remedy (N.R. Tablets), which not only brings immediate relief, but genuine and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache. Get your system thoroughly cleansed and purified for once; stomach, liver and bowels working together in vigorous harmony, and you will not have to take medicine every day—just take one N.R. Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well. Get a box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or so pay. Nature's Remedy (N.R. Tablets) is a genuine and safe remedy recommended by your druggist.
