Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are especially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. He is having "Wallington" and "Blackie" go through a whole lot more adventures in the scenario he is at present writing for Vitagraph.

MUSIC AND DRAMA

LABEL NORMAND STAR IN GOLDWYN PICTURES

During the month of January, Vitagraph will release two O. Henry subjects, "The Church with an Overshot Wheel" and "While the Auto Waits."

STORY IS THE STAR, BUT ACTORS WIN FAME... In many of the Goldwyn pictures this season, notably in the Rex Beach productions and those for Eminent Authors, the story is the star. And yet the quality of acting is so high that many exhibitors have featured the players in Philadelphia, recently Cullen Landis was featured in "The Girl From Outside" and at the same time Clara Horton was featured when the film was shown in Nashville, Tenn. All over the country both Clara Horton and Cullen Landis have been given prominence in this latest Rex Beach picture.

This is a new angle in the exploitation of photoplays which shows how discriminating the public is becoming. Rex Beach and the Goldwyn Eminent Authors are not waiting for stars. They choose the best actors they can get after the scenario has been written. On this basis all the players have excellent acting opportunities, and one or two inevitably rise to the occasion.

Naomi Childers has distinguished acting parts in several forthcoming productions. She is the heroine in Basil King's production of "The Street Called Straight" and gives one of the finest performances of her career. Cullen Landis is the hero in Rex Beach's "Going Some." In the next Goldwyn Beach picture, "The Silver Horde," both Betty Boyd and Myrtle Stedman will cooperate with the public. In Gertrude Atherton's picture of "The Tower of Silence," the public will see a new angle in the exploitation of photoplays.

Ivory," the public will be much impressed by the work of Barbara Castleton in the leading role, Lawson Butt, who has figured in several of the best photoplays of this season, is playing in Eminent Authors production and will undoubtedly gain renown from his work in Goldwyn pictures. "MAYTIME" COMING TO THE GRAND... "Maytime" without question the most brilliant and popular musical play ever staged comes to the Grand Theatre for a special engagement under the direction of Messrs. Lee and J. J. Stribert. This musical production was bought out in New York at the Shubert Theatre where it ran continuously for one year and a half establishing a record for musical plays in that city.

"Maytime" is the musical play that concerns a delightful and interesting romance beginning in 1840 and continuing until the present time. There are four acts of supreme delight which take on added charm because the audience is permitted to see the sweethearts grow old, but in the final act there is a surprise for the former lovers appear in the persons of their own grandchildren. The story alone would be sufficient to make "Maytime" the success that it is, but there is a beautiful score with wonderful music containing the three internationally famous hits, "Sweethearts," "Jump Jim Crow" and the "Road To Paradise."

Since "Maytime" was produced by the Messrs. Shuberts, it has been witnessed by over 1,200,000 persons. Its run in New York was the talk of the show world. It played in Boston for nineteen weeks and was seen in Chicago for six months. Messrs. Shubert pride themselves on the production they are sending to this city and the local management goes on record in endorsing "Maytime."

KING GEORGE

Once again Select Pictures offers us that big winning combination—Big "Mitch" Lewis in a big picture of the Northwest, by a big picture we mean a picture that has a big plot—big star—big actors—big setting—big direction and big photography—all of which "Children of Banishment," Mitchell Lewis' second Select Picture, contains.

The plot of this picture is a thrilling one—one that will hold you to the end. It is the story of a man of the Northwest—a man with a strict moral code and a big heart. He wins out in two of the biggest and most important fights in life. One is to make a financial success of life, and the other is to win the love of a woman. He loves the wife of another man. But he is too big a man to cheat. He plays the game on the level.

In this scientific way the soreness and inflammation is rapidly allayed, relaxed cords are toned up, the entire mucous membrane invigorated. Every trace of catarrh disappears, the disagreeable dropping of mucus in the throat, hawking, spitting, and stopped up nostrils—all these sure signs of catarrh and bronchitis are permanently cured by Catarrhoxone.
