JOSEPH C. WARRINGTON, of Montreal, the biggest cheese man in the country this season is reported to have failed. The liabilities are over \$100,000, owing most to farmers throughout the country from whom he bought. Warrington's difficulties arose from trying to bear the Canadian market in England.

An Ottawa despatch of the 7th, says the difficulty between the Alliance and the Government in regard to the winter service was chiefly over the day of departure from Liverpool. The steamship companies asked permission to leave port on Saturdays, but the department insisted that the customary day be adhered to. The regular mails for Canada via New York are up for White Star vessels leaving on Saturday; by retaining Tuesdays for direct service, Canada gets three mails per week from Liverpool. If the department accepted the view of the contractors, the latter would be drawing pay for carrying practically only parcels and newspaper packages, as a great majority of the letters would be sent via New York.

Hood's Pills

HEART PAINS

The Heart and Nerves are Often Affected and Cause Prostration of the Entire System.

A Kingston Lady Testifies to Her Experience in the Use of Milburn's Heart and Nerve Pills.

People who suffer from any disease or disorder of the heart nervous system, such as Palpitation, Skip Beats, Smothering or Sinking Sensations, Sleeplessness, Weakness, Pain in the Head, etc., can't afford to waste time trying various remedies, which have nothing more to back up their claims than the bold assertions of their proprietors.

These diseases are too serious to permit of your experimenting with untried remedies. When you buy Milburn's Heart and Nerve Pills, you know you have behind them the testimony of thousands of Canadians who have been cured by their use. One of these is Mrs. A. W. Irish, 92 Queen Street, Kingston, Ont., who writes as follows:

"I have suffered for some years with a smothering sensation caused by heart disease. The severity of the pains in my heart caused me much suffering. I was also very nervous, and my whole system was run down and debilitated. Milburn's Heart and Nerve Pills being a specific for these troubles, I thought I would try them, and therefore got a box at McLeod's Drug Store.

"They afforded me great relief, having toned up my system and removed the distressing symptoms from which I suffered. I can heartily recommend these wonderful pills to all sufferers from heart trouble."

Laxative Pills cure Biliousness, Dyspepsia and Constipation. Every pill perfect.
