turned an ancient poet's book, And found upon the page, Stone walls do not a prison make Nor iron bars a cage.

Yes, that is true, And something more: That gilded walls And marbled halls Will never make a home.

Mr. Allen's Concert.

The concert last night was enjoyed by a large audience in the T. A. Hall. It was held under the patronage and in the presence of His Excellency the Administrator and the Lord Bishop of Newfoundland. The first portion of the programme consisted of selections from Haydn's Creation, the solos being taken by Miss Russell, Mr. Fred. Cornick and Mr. Pierpont, who acnitted themselves in excellent manner. Miss Herder sang "He shall feed his flock" from the "Messiah," and Mr. Frank Seymour "Where'e you walk" by Handel, while the Cathedral Choir sang beautifully Macfarren's "The Lord is my Shepherd." Miss Sybil Johnson gave an interesting rendition of Mozart's difficult Concerto in D major, and "Newfoundland" with Mr. Allen's setting concluded the programme, which follows:reation.
