

The Toronto correspondent of the Hamilton Times says:—Mr. Cameron's friends are disappointed at his speech in the House on Friday. It was a very lame effort, and was entirely without effect, and only wearied the House. His sole charge against the Government was that he believed it to be a coalition, and yet he thinks a coalition right and proper. His friends feel that he has placed himself in an awkward position by asking for a committee to enquire into the circumstances connected with the resignation of Mr. Wood. They say he should have accepted the emphatic denial of Messrs. Blake and Wood, and that the only result of the enquiry will be to prove that he made the accusation hastily, and without any evidence to support it.

On the death of one of England's most eminent physicians, all his effects were sold by auction, and among other things was a sealed packet, marked "Advice to Physicians," which brought a great price. The purchaser on opening the packet, read as follows:—"Keep the head cool, the bowels open and the feet warm." If phlegm is necessary, use *Parsons' Purgative Pills*; they are the most scientifically prepared pill that has appeared in the last hundred years.

The use of Tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizziness, disturbs the sleep, makes a man miserable, and prematurely old. When the diseases are serious and stubborn, the best remedy is Fellow's Compound Syrup of Hypophosphites, as it restores circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

Few people unacquainted with physiological chemistry are aware of the quantity of iron in the blood, but all should know the importance of keeping up the supply, for debility, disease and death are sure to follow when the quantity becomes too much reduced. The Peruvian Syrup (a protoxide of iron) supplies this vital element, and has cured many chronic diseases.

Breakfast—Epps' Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills. — *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

Husband—What do these certificates amount to?
Wife—They prove that Perry Davis' Pain-Killer is safe to use under any circumstances, that it is not only a Linctus to rub on Bruises, Cuts, Sprains, Burns, and external complaints with unfailing relief, but that it has done miracles in curing Colic, Cramps, Spasms, Head-ache, Diarrhoea, Dysentery, Stomach-ach, Dropsies, Sick Headache, and also it was the Pain-Killer that cured John Sparkler of the Fever and Ague; you know he had it for over a year.
Husband—Did it cure any Rheumatism about here? I am more interested in that than I am in fever and ague.
Wife—You had better go over to Judge Jones and I see the certificates for yourself, there is no question but what they are convincing, and I don't think he has returned them yet to Providence, R. I., where Perry Davis & Son's head office is.
Husband—I am really getting interested in the Pain-Killer, my dear, and I will call on the Judge today, for my Rheumatism is quite unbearable.
Wife—The Pain-Killer is an internal and external remedy for pain. For internal Colic, Cramps, Spasms, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As an external it is equally as good, and it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES
A safe life-endowed tonic, whether they be Beasts, Birds, Reptiles, Insects, or Fishes, and subjects of the Vegetable Kingdom, are governed by the same laws which build all the springs of existence, and as nothing can save them from destruction when this principle ceases, thus, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.
Modern Chemistry has thrown the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is substantially the basis on which the *Dr. E. J. Fowler's* is built, its direct action is upon the Brain, the Nerve, and the Muscles, strengthening the Nerves, it causes the rapid distribution of Valerian Blood in the Muscular Organs of the Body.
Reinforces the Stomach and Liver, strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully impregnated with Oxygen.
It is adapted for all cases of Weakness and Emaciation, whether arising from a Scanty Supply of Food, or from any other cause, and is especially efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.
It benefits the weak, and in Asthma it is a relief where every other remedy fails.
The Nervous Debility it stands unrivalled, and may be used with confidence in all cases.
As a most healthy dietetic and different from every other preparation of Hypophosphites, be careful to ask for *Fellows' Syrup*, and take no other.
