Vancouver, B.C., July 21 .- Three thousand enthusiastic fans, who refused to believe that New Westminster would not play, thronged Recreation Park yesterday afternoon at four o'clock and watched the Vancouver team go through the motions of a bloodless victory. When the Westminster team did not appear, the Vancouver players lined up and Nick Carter's season's average for goal getting went up notch when he was allowed to score the goal, and Vancouver was then declared winner, the officials being Harry Latham of New Westminster and Bert Halstend of Eburne, who had been named joint

### HOSS TALK

Kalamazoo, Michigan, July 20.—Joe Patchen II. proved a remarkably heavy track stepper today easily taking three straight heats in the Celery City \$5,000 purse for 2.10 pacers. There was never any doubt as to the ability of Joe Patchen to win, and at no time was he forced to go his limit. The track was heavy from a bad rain at noon, delaying the races nearly two hours. During the scoring of the first heat of this event Columbia Fire caused considerable trouble, jumping up and down, finally setting cown on the sulky and breaking the wheels on the vehicle. Driver Shank had a narrow escape from injury, but the horse was grabbed by to be standing inside the fence where a number of speciators who happened the accident happened. The horse was drawn after the accident.

Chatty Dirret won the 2.10 trot in straight heats, although Elizabeth Ray linkhof close up in the first two heats.

Geers' entry, Gordon Todd, made a poor showin, trailing the field in the direct two heats and being outdistanced.

Montreal, Que., July 20.—The generosity of the management of Montreal Jockey club is again shown by the increase in the added money in the King's Plate to be run during the fall meeting of the Montreal Jockey club, from September 7 to 14, inclusive. There has been \$300 added to the stake this fall, which means that the winner of the second and third event will win almost as large a purse as the first.

A larger field than usual is promised.

The selection committee met las evening and selected the team which is to represent Calgary which is to represent Catalaty against Edmonton in the inter-city game at Edmonton next Saturday, and they appear to have a team which is strong enough to meet anything, east or west. There was some difficulty in selecting the men, for they had such a number of readily good players, and some had to be lest out who were worth a place. left out who were worth a plan So they fixed on the following: Sut ton; Melville and Dickenson; Haig, Strong, and A. Wakelyn; Wylle, Nesbitt, S. Wakelyn, Williams, and

Neshit, S. Wakelyn, Williams, and A. Stewart.

The half back line is the one which gave the greatest difficulty. Fearle did not wist to make the tip, or he would certainly have been plrying at 'eft hait. Strang then came in at centre hait. A. Wakelyn is being thought being a more suitable wing half than Sandy. Wylle and Neshitt should play ninely together, and Stan Wakelyn is not within rencu as a centre forward. William and A. Stewart will ward. William and A. Stewart wil make a speedy left wing, and Wakelyn and Williams played so well together in the international game that it was not thought wise to part them. Moreover, Williams is a dangerous man in front of goal. Sutton is safe in goal and not muc should get past two such backs as Melville and Dickeason, who are both speedy, good tacklers, and atrong kiekers.

This team should hold their own This team should held their own with Edmonton out lu any case, the game will be worth going to see, and as the lengue are running a special and offering such an obnormally low rate as \$4.35 for the round t-ip, a large number are exprecied to travel with them
