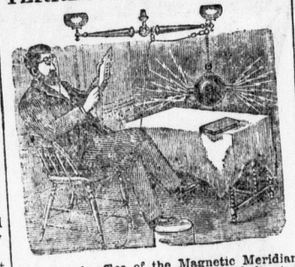
TERRESTRIAL HEALING



A branch office of the Magnetic Meridian Vitapoise Company is now permanently located at 294 Dundas street, for the purpose of giving practical demonstrations of the healing virtues of the "Vitapoise," (or miniature earth.) It is the most wonderful healing instrument ever discovered. It only fails to cure the afflicted when their case is hopeless, and it makes no difference what ails you.

If you would like to investigate "TERRESTRIAL HEALING," call at the office, and Prof Reid, will cheerfully explain to you the mysteries of the subtle healing force contained in a Magnetic Meridian Vitapoise.

Separate rooms are fitted up for the treatment of ladies and gentlemen. We want every family and physician in Canada to buy a "Vitapoise," and we will accomplish our object if an afflicted member of every tenth family will give the instrument a trial, by taking a "course of treatment." Its application is absolutely painless and is also harmless; but disease will flee from before it as if driven away by magic.

Physicians! try a "Vitapoise" on one of your patients, having either la grippe, inflammation, fever, insomnia, neuralgia or rheumatism, and thereafter your "medical case" will be a secondary consideration so long as you have a "Vitapoise" with you

Send for catalogue which fully explains everything; free. Address, The MAGNETIC MERIDIAN VITAPOISE COMPANY, 294 Dundas street, London, Ont. nm
