Tablets

dictions of opponents to international trade unionism, the gain in member-ship in the trade unions in Canada during the past year was 4,686. From a circular issued by our international trade unions, covering the membership in Canada, together with contributions paid by and benefits paid to Canadian unionists, although responses do not cover half of the international

unions, the following results are shown: International unions' representatives, 43; membership in the United State, 709,197; membership in Canada 19,710 — total 728,907. Amount received from Canadian unionists, \$86,773 57; amount expended for benefits for Canadian unionists, \$316,875 28; amoun expended for organizing in Canada \$12,682 13; number of officers, organizers and other representatives in Can-

ada, 362. This table does not include moneys received by the American Federation of Labor from the Canadian unionists or expended in their behalf; nor does it include the direct American Federation of Labor representatives, and leaves wholly out of consideration the majority of the international unions not reported. During the session of the executiv council held at Toronto, Ont., and having in mind the conclusion reached

by the New Orleans convention regarding the relations of the Cana dian labor movement to that of the port said in part as follows: "Never remainder of the American continent we had two conferences with the officers of the Dominion Trades and in this or in any other country, or, Labor Congress for the furtherance for that, never in the history of any of the best interests of the working tral bodies affiliated to the American Federation of Labor should be atwage-workers, becoming members of requisite to the issuance of a charter

attachment to the Dominion Congress. It was learn penal offense for any one net a Brit This was clearly aimed at tools of labor; the application of misapprehension or misrepresentation strikes of Canadian workmen. The situation was made clear in a state ment issued at Toronto and in addresses at public meetings. The proposed law makes no provision hibiting employers or representatives of employers' associations from helping employers in Canada in defeat ing Canadian workmen in any effort to protect their right or interests. In our movement it is well known country to occur in another; they are which we have enjoyed, during the not provoked, aye, not even courpast few years, has reached its flood seled or advised. When strikes occur contraction of industry, by which American Federation of Labor, either workmen who desire to strike and the

industrial reaction may reach, although it, and in the latter event, to conit is quite evident that it is not likely tribute financially toward sustaining to become so prolonged or so intense the men engaged in a controversy

NEAR-BY JOTTINGS

By Special Correspondents of the Daily and Weekly Advertiser.

BRYANSTON. Bryanston, Nov. 10.—Anniversary services were held in the Methodist Church here on Sabbath last, Rev. Daniel Ecker preached at 10:30 a.m. from Isaiah xxviii., 8-16, and at 7 o'clock from Luke xxiii., 33. Morning subject, "A Tried Foundation" evening, "A Crucified Saviour." The pastor preached at 2:30 p.m., from Acts i., 4; subject, "The Baptism of the Holy Ghost." The church was filled to overflowing on each occasion.

The music rendered by the choir of the

church was very inspiring. The organist, Miss Powell, and Misses Dann and Brown, the leading singers, are to be complimented for their efficiency. Specomplimented for their efficiency. Special services are being conducted this week by the pastor, assisted by Rev. Mr. Ecker. Ecker.

NILESTOWN.

Nilestown, Nov. 10.—Mr. J. W. Lee is a Californian for this winter. He left lately for Los Angeles, where he has rela-Mr. Isaac McClary, of California, been visiting his nephew, John McClary, of this place, and looking up any of his old acquaintances left of the long ago. He visited Mr. H. Reynolds and Mrs. Fred Odell and Luther Barnard. Mr. McClary is 78 years of age. It is twenty years since he was back to his old home of early days.

Mrs. Hart, mother of Henry Hart, of the second concession of Westminster, recently received notice that her brother, Mr. Newcombe, of Vermont, was dead.

The Nilestown day school's "at home, a novel and pleasing combination of social and concert, took place at the school house on Saturday afternoon last, for which great credit is due to Miss McKay, the teacher. The lady, however, was ably assisted in carrying out the difwas ably assisted in carrying out the different portions of the programme by her lady friends (teachers of adjoining school sections), Misses McKenzie and Ruddick, the latter filling the chair with all commendable skill and universal satis-

faction.

But, then, after all, where would success have come in had it not been for the clever scholars, who, with vim and in the programme? "We are going to make you glad you came to our entertainment," was written in every flushing of the cheek and eye-flash as they mounted the platform. Songs, solos and glees, readings, recitations and speeches, and laughter-provoking games and plays, made up the mental bill of fare, and a daintily prepared, palate-pleasing colla-
