BRITAIN IS BUILDING GREAT NAVAL GUNS TO SMASH TEUTONS

Washington Believes They Are for Use Against Land Fortifications-Expected to Hurl Shells Weighing Ton and a Half.

WASHINGTON, Sept. 28.—Battleships equipped with 18-inch guns, three inches bigger than any now afloat, and two inches greater than the largest guns projected for the new battleships and battle cruisers to be added to the American navy. are under construction in Great Britain, according to unofficial advices which are given credence by

navy officials here. The big weapons are designed primarily, officials believe, for use against land fortifications. As a means of developing floating forts which could throw great projectiles into land fortifications out

Brooks went to the west last fall and joined a party of skilled mechanics who responded to an appeal to assist Russia. The party left for Archangel, conducted by the officers and members of that order on Sunday, October 1, where they were to proceed to Russian headquarters. Instead of that, however, they were taken to the bleak coast of Lapland, and were left to their own devices. They suffered terfrom the family residence, 158 Devine street, at 2:30 p.m., with interment at Lakeview Cemetery. Berkley, who organized the Canadian party, referred to in a dispatch from Woodstock, Ont., on being asked as to the truth of the substance matter of the letter to Mr. and Mrs. Brooks, described it as "all nonsense." The men, he said, suffered a certain amount of privation as the inevitable result of the war conditions existing at the time, but the spy story was "sheer bunk." Mr. Berkley further explained that the men were all back in Canada and that the railway work in Russia they had been engaged for was finished.

HYDRO RADIAL VOTE IN NIAGARA DISTRICT

New Year's Day.

TORONTO, Sept. 28.-Twenty-five municipalities will on New Year's Day vote on bylaws for a hydro-radial running between Port Credit, St. Catharines and Bridgeburg, as the result of an order-in-council passed today by the Ontario Government. Under the act of last session it is necessary for the sanction of the lieutenant-governorin-council, to be secured three months prior to the date of the vote, so that the people can become cognizant of the matter on which the poll is being taken. The estimated length of the road is one hundred miles and its cost about \$40,000 per mile, or a total cost of about \$4,000,000.

WOMEN TO RAISE FUND FOR PRISONERS OF WAR

Lady Hendrie Elected President Newly-Formed Organization.

TORONTO, Sept. 28.—Representatives of women's societies, local, provincial and national, were present at a meeting held at the Parliament Buildings this afternoon under the presidency of Lady Hendrie. The object of the meeting was to consider ways and means to collect funds to supplement the Duchess of Connaught's prisoners of war fund. A proposal that if the entire fund col-lected could not be used for the specific purpose the duchess be free to use the surplus as she might see fit for the benefit of Canadian soldiers, was approved. A circular letter will be sent to all societies and the wo-men's institutes will look after their organizations. Lady Hendrie was elected president, and Mr. Clarence Bogart, treasurer, and Mrs. A.
