Life and Character Reading.

The governing sign of this birthdate is Cancer, called the paradox sign of the twelve. A few harmonious people are found in it, who as far as known have not given any special attention to spiritual development; but, generally speaking, the genius of the Cancer sign, which means Crab, is exceedingly difficult to explain. Those born under it have a persistent will, a clutch of determination, intuition and purpose.

Farms, farm implements, and farm stock will be well advertised today in the Want Ads, so it is advisable for any one looking for the above mentioned to use the Want Ads carefully.
