Bay City Even Up Series 5-3 Tecs Bid Farewell Today

Coogan's Spell Over Lefty Good Broken, But Ace Is Taken Out in Eighth.

Coogan, who has beaten Lefty Good two of the very few games he has lost this season, fell short of exercising the spell a third time, and although he had the satisfaction of seeing Good taken out after filling the bases in the eighth and forcing in the run, he was not able to win 5-3 for the Wolves.

The bases were filled in the ninth, and with two games Coogan was at bat with a chance to confirm superiority amongst ball players, but he struck out, and the last remaining vestige of the spell was broken. Coogan had beaten Good twice, each time by a 2-0 score and in holiday bills.

The Londoners make their farewell bow to the fans here today. They will disperse to their homes from Michigan, where they and the series, playing the Wolves.

DOWN THE LINE IN ALL SPORTS

No wonder baseball players are superstitious. The Coogan-Good affair has many counterparts, and there have been several this year. Marty Olyn was a jinx on McCaffrey for two games, beating the lanky youth on two holiday mornings and by the same score, 2-1. Bay City mix it again with London in jinxes when it is recalled that the year Carmen hung up his great pitching record of nearly 25 games won and two lost Bay City nicked him for his only defeats in the morning games of holiday bills, although it is not recorded whether it was by the same score or not.

The fact that he has one of the finest hurling records ever made in the Mint; that he gets his big chance next week when he leaves with Detroit, who now own him, didn't seem to give Good any confidence—or control—in the 8th.

Imagination may be great in literature, but very little of it can make an awful mess of a ball game.

Pitching no-hit, no-run games gets pitchers into the Hall of Fame, but Doorkeeper Fate has a habit of locking them in there and forgetting all about them.

The lightweight class of modern days always has had good fighters in it. It has good fighters in it now.

But take it since 1890. Where could you find better fighters than such game, speedy little men as Jack McAuliffe, Kid Lavigne, Frank Erne, Joe Gans, Battling Nelson, Ad Wolgast, Willie Ritchie, Freddie Welsh and Benny Leonard?

McAuliffe retired unbeaten. Had Gans retained his health it is doubtful whether he ever would have lost his title. Leonard is as good a man as any of them—and they were all good.

Benny is not only a great fighter, but a good business man. When he gets ready to retire there will be no wolf without sight of the door.

One of the best of lightweights never was champion. That was Packey McFarland. He was one of the cleverest boxers the ring has produced. Also he was the equal of any boxer as a financier. McFarland made a fortune and retired. He is now a prosperous business man of Chicago.

PEARL BENBOE TAKES \$10,000 CHARTER OAK
Took 38th Renewal of Rich Stake After Losing Second Reel.

Associated Press Despatch. Hartford, Conn., Sept. 6.—Pearl Benboe won the 38th renewal of the \$10,000 Charter Oak stake, the feature of the Grand circuit meeting, by defeating Taurida in a close finish. Benboe won the first heat by half a length, but Taurida captured the second heat when Murphy's \$25,000 trotter broke in the stretch. Taurida came fast in the stretch in the third, but could not catch Murphy's mount.

ST. MARTIN'S, MARCONIS ARE BOTH CONFIDENT
Second Game For Flag Promises Tighter, Steadier Baseball.

Marconis and St. Martin's surprised the fans last Saturday afternoon in their weird offering, billed as the first game of the C. A. A. League championship playoff. Each team secured sufficient runs to nullify an ordinary half dozen games, but weird as it was the struggle was not decided until Marconis had one gone in the ninth.

Tomorrow the two teams meet again at Sunshine Park, and it is almost safe to predict that the mix will be as close as last week's game was loose. Both outfits are hard-hitting, close-fielding teams, and the two teams meet again against members of the two aggregations this season have resulted from the fact that the league play faster than was necessary.

St. Martin's are determined to offset the loss of the first game with a win and so place themselves back in the running for a second championship. If they do it will be a case of history repeating itself, for last year the south-siders captured the title of the C. A. A. League in a playoff with Marconis club nine.

Attendance at the game promises to break all records. Both sides have big followings in the district. The game will start at 3:30 and will be out nine innings.

ST. THOMAS C. I. GRIDDERS ELECT 1923 OFFICERS
Special to The Advertiser. St. Thomas, Sept. 6.—The St. Thomas Collegiate Institute rugby squad had a meeting in the school yesterday afternoon and elected officers for the year. Elmer Lang will be captain, Sam Scott, Lang played space utility man last year and towards the close of the season was working regularly on the back field. He has had considerable experience at the position and will likely handle the team at the position this year. Scott is a right end, and has the reputation of the inter-collegiate match the past two years. He is a speedy man and always sure on the tackle.

BABE DYE WILL NOT PLAY ANY MORE PRO HOCKEY
Associated Press Despatch. Toronto, Sept. 6.—Babe Dye, left fielder of the Buffalo Bisons, who played in the International League, will play no more hockey, he told newspaper men today.

Babe has played for several years with St. Patrick's team, Toronto, in the National Hockey League, and has been the position of right wing. He was one of the professional goal-getters in the league and did much to help his team win the professional championship in 1922. His successful career in baseball, and reports that he will move out of the big leagues, has started several reports that he will drop out of hockey, but this was the first occasion on which he has made a definite statement.

THE COACH'S JOB
Something of the taskmaster, the general and the diplomat, a lot of the doctor must be hidden away in the man who would be the coach of a successful football or track team.

Emergencies of all kinds are his daily routine. A thorough knowledge of first aid is as essential as a knowledge of the game played by his men.

Bumps, bruises, strained ligaments and muscles are every day happenings, but the coach never becomes contemptuous of them. He knows that if neglected, they may result in anything.

Trainers everywhere keep Absorbine Jr. in their lockers. They use it not only for sprains, cuts and bruises, but for the skin and blood protection of its disinfecting properties. In one convenient container it combines the functions of a number of preparations.

It is the first of all the First Aid requisites in use in all of the leading athletic clubs.

And there are just as many everyday uses for Absorbine Jr. in the homes of Canada as there are in the training camps. Always keep it in the home where you can "jump to it" in case of emergency. \$1.25 at your druggist.

Take Eighteen of Twenty Games of Season From Phils.

Associated Press Despatch. New York, Sept. 6.—The New York Giants increased their lead to four and a half games today, easily defeating Philadelphia 5 to 1. It was the eighteenth victory scored by the world's champion from the Phils in 20 games this season. Bentley pitched a strong game for the Phils, yielding only seven hits and striking out six men. He struck out Williams twice, once with the bases full in the seventh inning. Mitchell pitched his first game for Philadelphia since he injured his hand a month ago in the seventh inning. Mitchell's game was stopped by rain while first Pittsburgh scored by six straight game was broken.

HIT ALEXANDER HARD.
Pittsburgh, Sept. 6.—Hitting Alexander hard in the first and third innings today's game, Pittsburgh won easily from Chicago 5 to 1. The Pirates obtained a maximum of speed and precision. Though rather light, this lack of weight is offset by a surplus of speed and a marked ability to squirm through the smallest opening in the net. He first attracted attention through his tackling on the offensive, and has become one of the surest tacklers in the province. Simpson is also a track athlete, and was junior champion of the 1922 Western Ontario Secondary Schools Association meet at London. He should prove a most valuable addition to the athletic strength of Western U.

DETROIT SHANNONS BEAT RIDGETOWN IN LOOSE GAME
Special to The Advertiser. Ridgetown, Sept. 6.—In a rather loosely played ball game here this afternoon, which was witnessed by a large crowd of fans, the Detroit Shannons defeated the local team by a score of 8-1. Although hitting was almost complete shutout for the locals until the middle of the ninth inning when Jeffries crossed the plate on a two-base hit by Early.
