Combining Meet With Western Fair Gets First Trial Today.

STARTS AT 1:30

The innovation of staging the annual Manufacturers' A. A. A. track meet as a part of the opening day's program of the Western Fair gets its first trial today.

Two hundred and seventy-seven entries are in for the various events, one of the largest lists ever recorded in an industrial track meet here. A glance at these entries reveals the best track athletes have been steadily reaching a higher stage of development, and culminating this year when the athletes were chosen for the Olympic training camp.

The program starts off at 1:30 o'clock, and as experienced officials are in charge, it should be run off like clockwork.

WILLS SURE OF WINNING BOUT

"I Like To Fight," Sums Up Confidence of Negro Heavyweight.

Associated Press Despatch.
New York, Sept. 5.—Looking back over 95 battles which leads through a period of thirteen years, to his most important engagement, that with Luis Angel Firpo, at Boyle's Thirty Acres on September 11, Harry Wills, negro heavyweight, made a simple comment:

"I like to fight."

Looking forward to the five years of active ring work which he considers will remain for him regardless of the outcome of the Firpo fight or a possible battle with Jack Dempsey for the great of all pugilists, the heavyweight championship of the world, he answered a query regarding his future:

"I like to fight."

Of his 95 battles, Wills won 44 by knockouts and 30 by decision. He was knocked out once, lost four times by decisions, fought two draws, thirteen no-decision engagements and one exhibition fight. He has fought 100 times, including two home runs, one by Langford, negro heavyweight, considered by many observers as the hardest hitting man of his weight who ever fought. It came in 1916 in the nineteenth round. Wills more than held his own in five rounds in 1918. Langford in five rounds in 1918. Sam McVey, Bill Tate, Tui Jackson, Kid Norfolk and Jeff Clarke, all negro boxers, were also bowled over by Wills as he fought his way to the top of the championship.

On the Side Lines

THE END.

The games in Hamilton today mark the end of the Mint League season, and for all that is definitely known yet, mayhap, the end of the Mint League also. With Hamilton and London out, there would of course be no excuse for the coined cognomen of "Mint."

The London team will be paid off in Hamilton, and most of the players will scatter for their homes from there. Joe Delman left the team yesterday for home upon receipt of news that his mother was seriously ill.

What will happen during the winter months is highly speculative. There is at the present time little basis for the idea that there will be no Mint League next year, and there isn't a whit more for believing there will. Probably somebody will get a safe and sane idea during the early period of hibernation and a new league or a couple of new circuits will result.

Who knows? or maybe it's: Who cares?

AUSTRALIAN TENNIS PLAYERS TAKE LEAD

Wood and Patterson Smother Frenchmen in Straight Sets.

Associated Press Despatch.
Brookline, Mass., Sept. 5.—Australia took the lead from France in the Davis Cup competition today when Pat O'Hara Wood and Gerald L. Patterson, Melbourne, put down the Frenchmen Rene Lacoste and Jacques Brugnon in straight sets, 6-4, 6-4, 6-4.

The rival teams divided honors in the opening singles yesterday, Lacoste defeating Patterson, and Wood conquering Jean Borotra, the French captain, so that today's doubles victory put the winners of the United States zone ahead by two matches to one. Tomorrow at 2:30 o'clock Patterson and Borotra, Wimbledon winners in 1921 and 1924, respectively, will meet.

The concluding contest of the tie, the Thursday winners—Lacoste and Wood—are to compete.

The Frenchmen never were ahead at any stage, and the one-sidedness of the competition detracted somewhat from the interest.

MIKE CVENGROS

held the Browns to three hits in the 4-1 victory of the White Sox over St. Louis yesterday.

SPEAKING ABOUT FISH, WARNER—HERE IS A RARE SPECIES I CAUGHT IN THE LITTLE KNOWN RIVER OF "DELHIMASHERIK" IN INDIA!—IT IS CALLED THE "HAMIN", OR FLUTE FISH! YOU ROW OUT TO MID STREAM, THEN TAKE A HIGH PITCHED FLUTE, AND PLAY A WEIRD FIVE NOTE NATIVE STRAIN—THE FISH RISES TO THE TOP, INFLUENCED BY THE MUSIC—THERE IS A HOOK ON THE END OF THE FLUTE, AND YOU MERELY THRUST THE FLUTE INTO THE SILLY FISH'S MOUTH, AND PULL IT IN!—AMUSING, EH?—
