wearer.

The eye being the most delicate organ, greacare should be exercised in selecting Speciacles care should be exercised in selecting Speciacles, it is not enough that the glass be of the right focus, but the lenses must be perfectly centered and in many cases perfect relief is only given by having each eye fitted separately. To effect this, the lenses are made interchangeable, and having an Optometer to measure the sight, a perfect fit is guaranteed.

Call and examine before purchasing any other kind. A full stock in Steel, Rubber, and Gold Frames and prices to suit all pockets.
