If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's at least once. It is thoroughly unlike any other Cough Remedy. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, chloroform, or any other stupefying ingredients are used. The tender leaves of a harmless lung-healing plant, combined with Dr. Shoop's Cough Remedy, give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. Sold by all dealers.

GOOD ADVERTISING
If one was not aware of the fact that St. Andrews, N. B., had a good harbor, the reading of an interesting folder from the pen of R. E. Armstrong of the Beacon, would soon convince him of the fact. The advantages offered by St. Andrews as a winter resort are clearly set forth and the folder is a good sample of advertising literature which is being sent broadcast by some enterprising means.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop's first point to this vital truth. Dr. Shoop's Restorative was not made to dog the stomach nor to temporarily stimulate the Heart or Kidneys. That old fashioned method is wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once and see. Sold by all dealers.
