CAMPBELLTON, NEW BRUNSWICK TUESDAY, JUNE 15th, 1909.

Dreadnoughts at \$10,000,000 apiece are about to be ordered by the British government.

They are not the kind you get with a marriage license, either.

'Darkest Africa' is proving to be more and more a mine. Among the theatres are being held in the jungle for Roosevelt's entertainment.

Automobiles that would be their own and consume their own gasoline would make life much easier for the humble pedestrian.

The Earl of Clarendon says Germany will declare war on Great Britain at a moment's notice. It was very foolish of the Kaiser to call such a talkative gentleman his ally.

It seems that Mother Earth is 240 million years old. Still, it must be admitted it doesn't look it, especially in the spring time, and a woman is only as old as she looks, you know.

Down in Georgia while engineers refuse to take out their engines with negro firemen, though after a while man has shovelled coal all day, there can't be much difference, as far as looks are concerned.

A London magistrate has sent a woman to the Reformatory for a year for running away from her Toronto husband. Toronto husbands are such superior specimens are such much superior specimens that magistrates can have no patience with wives who run away from them.

If the chauffeur who wrecked Mr. D. D. Mann's touring car in Toronto, while Mr. Mann (McKenzie & Mann) was out of town will consult a palmetist, he will learn that it would be well for him (if away) for the sake of his life of a very dark man.

## WOMEN'S PERIOD OF PAIN.

Regularity of the system can only be secured by maintaining good healthy circulation. If you feel down, nervous, be sure that circulation is poor. The natural result is congestion that causes so severe a headache as to render the sufferer almost insensible. Besides being a headache, it may also cause a severe attack of indigestion, and a general feeling of weakness. The whole system is renewed and fortified, with strength, vigor and confidence. For girls and women nothing equals PERRON'S. See at all doctors.

SEALED TENDERS addressed to the undersigned, and endorsed 'Tenders for Supplying Coal for the Dominion Buildings,' will be received at this office until 4.30 P. M. on Thursday July 22, 1909, for the supply of coal for the Dominion Buildings throughout the Dominion.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied and signed with their actual signature. Each tender must be accompanied by an accepted cheque on a chartered bank, made payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 per cent.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into contract when called upon to do so, or fail to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order, NAPOLEON TESSIER, Secretary, Department of Public Works, Ottawa, June 4, 1909.

Professional Advertising

The physician has a sign on his door. That is an advertisement to the passer-by. Comparatively few people see the sign however.

Why not carry your sign into all the best homes in town? You can do so by a Classified Want Ad. and without loss of professional dignity too.

When there were not many forest fires, the government considered that the forest fires were a nuisance. Now that forest fires have been raging in various parts of the province, some of these apologists of the government turn around and declare that the government shouldn't be held responsible for the spread of the fires. In other words, praise the government when there are no fires, but don't blame them when there are. What a delightful policy that is!

## WHICH LINIMENT IS BEST.

For rheumatic pains and other thick oily preparations can't penetrate—that's why Nerville's liniment is the best. I wouldn't live without Nerville's. In my home, writes J. B. Cottam, of Mastown, N. S. 'If you have rheumatism or soreness in the muscles or in fact any kind of an honest liniment, Nerville's is the best. I can recommend it highly because I have proved that in one application of Pains-Nerville there is more virtue than in a whole bottle of ordinary liniment.' Try one of the large 25c bottles.

## WHY COUGH SYRUPS FAIL.

Their also quickly reach the inflamed membrane, drop into the stomach and do little else but harm digestion. It's different with Cotnam's cough syrup. 'Every breath sends healing balsams to the inflamed tissues. Tightness, soreness and inflammation are cured by healing side remedies. The cough, goes away, throat is strengthened, business is cured. Nothing so simple, so convenient, so certain to cure as Cotnam's cough syrup. 25c and \$1.00 sizes. Sold every where.
